

To Request Four Mill Approval

Romulus School Board OK's Millage Proposal

Romulus - Voters in the Romulus Community School District will be asked to approve a Millage Proposition in the June 9 School Election, Robert L. McConeghy, school superintendent, announced Monday.

The school district's Board of Education in its regular

Board meeting held on April 21, adopted a resolution authorizing the submission of the millage request to voters in June.

The millage proposal will call for a four-mill levy for one year for school operation. The current school millage is 22.6 mills per \$1,000 of assessed property valuation, state equalized.

IF THE millage is approved by the voters the Board of Education will be able to run a full program of educational services, personnel and restore cutbacks in various programs and services ordered at the start of the current school year.

The last time voters cast

ballots on school millage plea was in June, 1968. At that time, voters rejected a millage request of three mills for one year and a total of five mills for four years. The cutbacks followed.

In the June, 1965 election, the school system won approval of a five-mill levy.

This millage is expiring in 1969.

MCCONEGHY REPORTED that if the millage proposal now being submitted is approved, the school will restore all cutbacks, expand by hiring additional teachers that will be required to manned 16 additional classrooms now under construction and will

provide a contingency for anticipated operation cost during the 1969-70 school year.

The state equalization valuation of the school district is estimated of from between \$105 to \$110 million. Based on approximately 93 percent collections of school taxes,

the requested millage would bring in some \$400,000.

The school system presently has a teaching staff of 200 teachers. An additional 20 to 25 teachers are urgently required to meet student enrollment next year. School Board is anticipated a student enrollment of 5,500

at the start of the new school year.

The reason for a one year millage increase is caused by the cloudy affair of financing schools on the state level. It is hoped that this situation be cleared up within the coming year. At present even state school aid if not officially known.

Smith Wins Primary Race For Romulus Supervisor

Run-Off Election Set for May 19 Defeats Four Opponents With Vote Total of 603

By Henry Cantin
ANP Staff Writer

ROMULUS-Roderick E. Smith, 54, former Romulus Township clerk and present township trustee, won Monday's Special Primary Election for Romulus Township's Supervisor's post.

He defeated his four opponents with a total of 603 votes. The total vote for the election was 1,400.

Election officials were somewhat dismayed at the slightly more than one third of the township's electorate going to the polls.

The day-long off-and-on rain may have been responsible for the low vote total, some officials reported.

A General Election will be held May 19 to determine the final winner and successor to Edmund Bizek former supervisor, who resigned to assume his new elected duties on the new 26-member Wayne County Board of Supervisors.

THE MAY 19 election is scheduled as sticker candidates may enter the race on the Republican ticket.

The new township supervisor will serve the unexpired term of Bizek that runs to November, 1970.

The election totals of the other Democratic candidates are as follows:

RODERICK E. SMITH
James E. Stewart, present trustee, 555 votes.

Jimmie Raspberry, present trustee, 536 votes.

(See ELECTION Page 3)

Romulus Industrial Coordinator Quits

ROMULUS-Jacob Golany, 31, appointed Industrial Coordinator for Romulus Township in February, 1969, has submitted his resignation.

The Township Board accepted the resignation with regret and authorized that a letter of commendation be sent to Golany.

In his letter of resignation, Golany told the Board that he is accepting the position of Urban Planner in Philadelphia, Pa., immediately. It was reported that the position offers greater remuneration.

Golany, who was teaching electronics for the Detroit Board of Education prior to his Romulus appointment, replaced Mickey Reel, part time industrial coordinator, who resigned last Summer, 1968 to enter private business.

Golany began his employment in Romulus at a

JACOB GOLANY

GROUND BREAKING FOR PUBLIC HOUSING UNITS-Romulus Township Public Housing Commission broke ground last Thursday, April 24, for the first 101 Public Housing Units for low-income families and those families that are to be relocated because of the township's Urban Renewal Program. In the presence of the Township Board of Trustees and other officials, groundbreaking ceremonies were held at Chamberlain and Avalon, south of Van Born Road. Left to right (front) are Robert Gutterman president of the Urban American Land Development Company, builders; Edmund Bizek, former township supervisor; Eugene Wilson, Housing Commission chairman; and Donald Harris, director of the Housing Commission. The Housing Commission was set up during the regime of Bizek.

Romulus Community Schools To Present Musical Special

ROMULUS-The Romulus Community Schools are continuing their quest for excellence in music and a continuation of cultural programming by presenting a Music Special entitled, "A Musical Night To Remember", on Thursday, May 22.

This program will include post-graduates from the Romulus Senior High School as well as students who are presently in school who have continued their musical talents in various ways.

Some of the persons are: Linda, Laura, and Lowell Askew; The Smith Sisters; Dick Milatz; Dick Boelter; Ed Clark; Katy Tryon; Brenda

Rusan; Margie Hay; Bob Michniewicz; The Coffield Sisters; Jennifer Jones; LaTerry Burrell; Gwen Matthews, and Don Madewell.

ANOTHER FEATURE of this program will be to give tribute to Mrs. Edward Williams, a local resident, who has dedicated her life toward the advancement of cultural activities in the community and nearby vicinities. This will be a time for the community to show an appreciation for Mrs. Williams by attending the program.

The evening's program will begin with a banquet at 6:30 p.m.; followed by the music

special at 8 p.m.. Tickets will be \$2.50 for the banquet and program; \$1 advance for the program only \$1.25 (at the door) for the advance sales \$3.00, (at the door) \$7.75.

Tickets may be procured in the near future from members of The Choir, Band, and Band Boosters.

Proceeds will be used for scholarships and for those attending music camps during the summer.

We thank you for your cooperation. The total community is invited to make this truly a NIGHT TO REMEMBER.

Clothing Modeling Winners At 4-H Dress Review Named

ROMULUS-The annual 4-H County Dress Review was held Friday evening, April 25, at the Ford Central Office Building in Dearborn.

Mrs. Frances Long, chairman 4-H Clothing committee, opened the program and introduced the dress review narrators: "Young Miss", Mrs. Ruth Smith; "Junior Miss", Mrs. Connie (Hayward) Morris; Miss Donna Curry; "Senior Miss", Mrs. Pat (Gonyaw) Budd.

In the Young Miss division (10 to 12 years), the following were named to appear at the Country Fair Dress Review May 24 in Greenfield Village: (Skirt or Apron) Donald Williams, first, and Jeanie Wojcik, second. Shirley Day and

Pamela Black are first and second alternates, respectively. (Skirt and Blouse or simple dress): Rita Kosin, first; Cathy Bies, second. Joan Woods and Connie Griffin, alternates.

IN THE Junior Miss class, Carla Hay was named first for School Dresses and Valerie

Shepple, second. The alternates are Nancy Baker, first and Kay Johnson, second. In Sportswear, Paula Memering, first, Janet Alderman, second. Alternates Susan Green and Shelia Jackson.

In the Senior Miss category, (General) Ann Razgunas (See DRESS REVIEW Page 3)

CONGRATULATIONS TINA - Mrs. Tina Price of 39355 Judd Road, Belleville, has won two Michigan State Snowmobile Powder Puff Championships during 13 weeks of state-wide competition in races sanctioned by the Michigan Snowmobile Association. Tina is sponsored by the Michigan Huron Sod Farms, Inc., of Romulus. She is shown above with some of her many trophies.

AT HURON SCHOOL National Director of WICS Gives Job Corps Preview

BY PAT KLAES

NEW BOSTON-A member of the National WICS (Women in Community Service) Mrs. Christopher Rambeau, staff gave a preview of President Richard Nixon's Job Corps transition in her talk at Huron Junior High School last Wednesday, (April 23).

Of the sixteen job centers scattered throughout the country, six have been closed, including the one in Marquette, Michigan. These will be replaced with "mini-centers" located near large cities, the prime source of applicants.

Mrs. Rambeau's presentation was sponsored by the Huron-Sumpter Association for Community Affairs.

During Mrs. Rambeau's smooth, forthright presentation, she explored the problems of the 8,000 girl applicants, 800 of whom went on to Job Corps Centers, 600 of these going on to good jobs. Coming from impoverished families, failure is their way of life. They are neither attending school nor employed.

REMOVED FROM this environment, clerical services, practical nursing, cooking and many other subjects are taught. In some cases enabling the participant to earn her high school diploma, thus opening even more job opportunities.

More necessary than ever with a swelling one million drop-outs last year, Job Corps and WICS are prepared to ride the tide of change and emerge assisting these girls to find happiness and success.

Accusing the school system, Mrs. Rambeau flatly stated, "If you lose 50 percent of your pupils, something is wrong." "Parents," she cautioned, "Listen to your children."

Next on the program, Rev. Dean Tyson of Samaria Lutheran Church, Ypsilanti, told of the rewarding experiences volunteer teachers encountered in the adult education classes he initiated and developed for this area. The devotion of the teachers, contributions of texts and materials from the

Michigan Board of Education, donations of \$250. to \$300. from Ford Motor Co. and Chrysler Corporation, assembled by Rev. Tyson, add up to a successful term for 122 students.

ABE (Kindergarten through Junior High School), High School, and vocational training classes in Math, Reading, English, Typing, Drafting, Shop and Blueprint Reading, etc. are open to area residents, tuition free.

Convinced that Federal funding, or local financing is secondary in importance to creative action, Rev. Tyson saw a need and filled it and in so doing "Desegregation and Integration have been supplanted by Education."

House Bill No. 2306 Withdrawn in Lansing

ROMULUS-The taxation committee of the Michigan House of Representatives met in Lansing (April 23) to discuss House Bill No. 2306.

This House Bill was an attempt to take away revenue from the Township and schools pertaining to Act 189, Romulus Officials reported.

After General discussion said Bill was defeated by full committee.

Representative Edward E.

Mahalak (D) of Romulus was in attendance.

Others present to oppose the Bill were: Robert L. McConeghy, Superintendent of Romulus Community Schools; Carl Morris, Vice President of Romulus' Board of Education; Harold Reiner, deputy assessor of Romulus Township.

Reiner, said Representative Young withdrew his Bill which means no further attempts will be made in the Legislation at this session.

JOB WELL DONE--The United Methodist Church of Belleville Youth Fellowship (MYF) conducted a paper drive last Saturday, April 26. Some 14,000 pounds of old newspaper was collected. Left to right at loaded borrowed trucks are: Jeff Fry, Ruth McAtee, Shirley Orskey, Rick Emerson, Karen Patke (at door of second truck) and Ron Bluhm. Eric Rice is sitting on rear fender of truck.

32nd DEGREE REDIPENTS--Seven Masons from the Belleville area were among a class of 400 to receive the 32nd Degree in Scottish Rite of Freemasonry over the weekend at the Masonic Temple in Detroit. Globe Trotting Gerald L. Bisbee, Minister of the First Methodist Church of West Chicago, Ill., was the speaker at the 32nd Degree Banquet held in the Fountain Ballroom Saturday evening attended by more than 1,500 Masons. From left to right: George Alimpich, 44080 Michigan avenue, Gordin N. DeBilzan, 40005 Tyler Road, Floyd E. Donaldson, 250 Liberty Street, John R. Jobe, 45185 Venetian Charles A. White, 10825 Rawsonville Road, Stewart W. Dingman, and William Creakbaum.

MFY Drive For Papers Is Success

BELLEVILLE--A paper drive sponsored by the senior and junior high student members of the Methodist Youth Fellowship of the United Methodist Church of Belleville last Saturday, April 26, was hailed as a success by paper drive leaders.

The MYF collected approximately 14,500 pounds of papers. Proceeds will be used in their church related activities.

The members issued a sincere thanks and appreciation to all who save their old newspapers for the MYF drive and a special

thanks was issued to all those who took time out to bundle up their papers.

The Heininger Chevrolet Sales, Mayor Royce E. Smith, Arthur Shepard and others received a big "thank you" for permitting the use of their trucks.

Area Men Honored Scottish Rite Masons Hear Dr. Gerald Bisbee

DETROIT — Dr. Gerald E. Bisbee, Minister of the First Methodist Church of West Chicago, told some 1,800 Scottish Rite Masons at its traditional 32nd Degree Banquet here Saturday evening, April 26, that Masonry is peculiarly fitted to help men in three different ways.

*To find greater meaning for life.

*To be successful in search for personal identity.

*To help them face life realistically and still succeed in strength, character and personality.

"The major problems in today's life are the identity crisis and loss of personal meaning in an urban civilization," Dr. Bisbee, a Thirty-third Degree Mason declared. "We must find meaning and value in life. Scottish Rite Masonry in its dramatic presentation of human ideals, lends the needed strength and guidance to men in today's world."

REV. BISBEE, a world traveler, paid high tribute to Scottish Rite's schizophrenia research program. "It is one

of the oldest research programs in this field and bears directly on many recent successes in the field of mental health. This program is supported entirely on a voluntary basis by the more than 500,000 Scottish Rite Masons and since its inception its members have donated millions of dollars."

The occasion was the 265th Scottish Rite reunion in which some 400 Masons from the 11 southeastern Michigan Counties received the Thirty-second Degree in Masonry.

The class was named in honor of the late George MacCauley Ingram. Detroit industrialist and widely known mason. Eight Belleville-Romulus residents received 32nd degrees.

Presiding officers of the Detroit Valley, which includes the counties of Branch, Hillsdale, Jackson, Lenawee, Livingston, Macomb, Monroe, Oakland, St. Clair, Washtenaw and Wayne are, Paul M. Batten, Gregory Z. Olah, Thomas E. Benford and George E. Gullen, Jr.

Belleville's DeMolay Wins First

BELLEVILLE--The Belleville Chapter of the Order of DeMolay beat Wayne Chapter 5-4 Sunday, April 27, in their first district softball game.

Wayne started the scoring in the first inning, scoring twice. Then again in the third they pushed across two more runs.

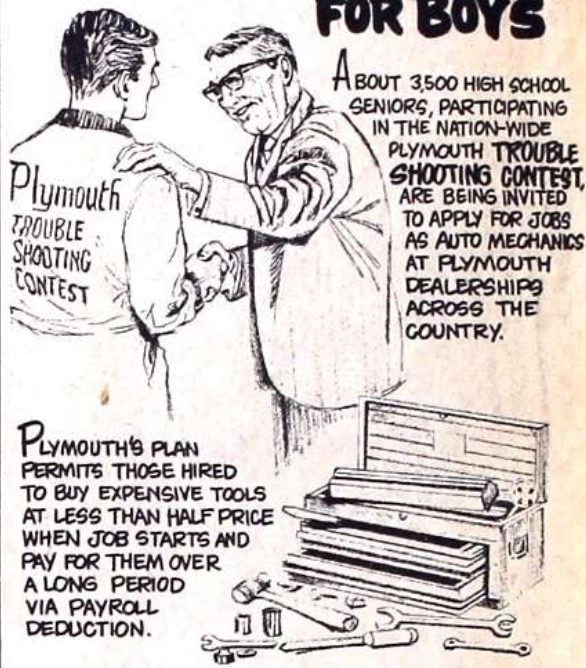

Meanwhile Belleville was unable to score until the bottom of the fifth. Wayne's pitcher lost control and walked four batters and singles by Paul Hall and Brad Whitehouse helped Belleville close the gap 4-3 in the sixth doubles by Jeff French Wayne Worley and a single by Brad Whitehouse gave Belleville two runs and a lead they never lost.

Mark Williams and Brad Whitehouse made great catches of line drives in the seventh off Wayne bats to win the game.

The next game will be against Lola Valley, May 18 at Lola Valley.

Mormons settled Salt Lake City in 1847.

State Police Reports On School Bus Check

Almost 65 per cent of Michigan's 9,000 public school buses received State Police approval on first inspection in the annual safety program just completed, the department's safety and traffic division report shows.

This percentage represented 5,809 vehicles having no apparent deficiencies.

Additional checking of the 3,200 other vehicles resulted in a total of 12,037 individual bus inspections made by State Police officers in the three-month period.

Inspection follow-up on vehicle corrections needed will be done by Department of Education personnel.

The report noted that deficiency-free buses were found in 95, or about one fifth, of Michigan's 534 public school districts.

Most frequently found deficiencies were inoperative windshield washers and wipers, lights, exhaust systems and parking brakes.

Other inspection items included glass area, horn,

Your Security Time Savings "Quarterly Statement" takes the mystery out of time savings!

We feel it's important for you to know what your money is doing. As a result, at the end of each calendar quarter, you'll receive a statement that shows transactions made and interest earned. At the end of the year, we'll send you a special statement, for tax purposes.

Our statements will give you an opportunity to watch what happens when 5% annual interest is compounded continuously, and applied to your time savings. At the end of each calendar quarter we'll apply the interest paid, to your Security Time Savings Account, another account, or send you a check.

You'll be able to withdraw savings that have been

on deposit for a full calendar quarter, during the first 10 days of each succeeding quarter, without notice, or at any time with 90 days advance (the minimum legal requirement) written notice. You'll earn maximum interest until the day of withdrawal.

While on the subject of savings, you may deposit \$50 or more to your account at any time, and all you need to open a Security Time Savings Account is an initial deposit of \$1000!

For maximum bank interest, plus a "Quarterly Statement," we suggest you open a Security Time Savings Account ... the account that's taken the mystery out of time savings!

When it comes to banking,
Security is all you need!

CONGRATULATIONS TEAM—The Huron Sod Farms, Inc., racing team completed the 1968-69 snowmobile racing season winning a total of 80 trophies. The team competed in various classes in Michigan Snowmobile Association sanctioned races held throughout the state. The drivers were Lefty Price, Belleville; Leonard Zilka, Bill Reinhold, Craig Morris, Norman Kubitskey, all of Romulus. Tina Price, Belleville; Garnet Zilka, Melanie Reinhold and Joyce Kubitskey, all of Romulus. The firm is located in Romulus. The winning trophies are displayed above.

College Renews Contract With Schools

NEW BOSTON—Superintendents from the five cooperating school districts have renewed the schools' contract with Dawn Beauty College. School officials present for the contract signing included:

Joseph Sterling, Superintendent, Airport; Charles Goulding, Superintendent, Flat Rock; Howard Parr, Superintendent, Gibraltar; Robert Smith, Superintendent, Grosse Ile; Byron Antcliff, Superintendent, Huron; Harold Streeter, Assistant

Superintendent, Grosse Ile; Clarence Shantz, Curriculum Coordinator, Grosse Ile; Don Leverenz, Director of Vocational

The contract will again cover a one year period and twenty students, including four from each of the five participating school districts.

The contractual agreement, the first of its kind involving secondary school districts in Michigan, offers the first six hundred hours of State Licensing requirements for Cosmetology in addition to three high school credit units.

Students enrolled in this year's program included:

Airport—Gail Lynch.

Flat Rock—Noreen Barnes.

Gibraltar—Rachel Gilliam, Pat Jordan, Barbara McNew, Donna Stone, Louise Luster and Linda Gass.

Grosse Ile—Andrea Hagedorn, Nancy West, Chris Rucker, Heide Uhse and Sue Spencer.

Huron—Frieda Taylor, Ginger Adkins, Bea Barrens, Tena Lewis and Cheryl Wood.

Mother, Daughter Banquet

ROMULUS—The Annual Mother and Daughter Banquet will be held Friday, May 9, at the Calvary Baptist Church on Olive Street. It will begin at 6:30 PM and is sponsored by the church's Ladies Missionary Society.

Tickets should be secured in advance from Mrs. Rose Anderson, Mrs. Corrine Moore or Mrs. Wauneta Garland. There is no charge for the tickets but a free-will offering will be taken at the banquet.

A fashion show and film showing are being planned as part of the after-dinner entertainment.

Rotary Hears Students

NEW BOSTON — A Program on their experiences at the recent Model United Nations assembly was presented to New Boston Rotary Club, April 22.

The Three Huron High School students were Cathy Lorenz, junior; Wayne Veazey, junior; Rick Ikard, sophomore; with their advisor James Krollick, Social Studies teacher.

They told the Rotarians what they experienced at the Model United Nations Assembly Conference at Hillsdale College on March 7th and 8th, 1969.

The students were enthused about having the opportunity to participate in a program which involved eight schools representing Michigan and Ohio. They told of their experiences in caucus sessions, committee sessions and at the general assembly meetings.

The New Boston Rotary Club sponsored the three students to the conference.

The reaction of the Rotarians to the program was most receptive. It is anticipated a program of this nature can be beneficial to both the school and community and every effort will be made to continue participation in the Model United Nations Assembly for 1970.

Workshop For Officials Set May 9

ANN ARBOR—John T. Dempsey, Governor Milliken's recent appointment as Special Assistant to Urban Affairs, State of Michigan, will be the guest banquet speaker at the Michigan Municipal League's WORKSHOP FOR NEWLY-ELECTED OFFICIALS to be held at the Holiday Inn West in Ann Arbor on Friday, May 9, 1969.

Dr. Dempsey's speech will highlight a full day of general sessions specifically designed for elected policy makers on the municipal government level. Newly-elected mayors, village presidents, and councilmen from throughout the state will attend these sessions.

Graduates

BELLEVILLE—Airman Billy R. Jackson, son of Mr. and Mrs. Ruby T. Jackson of 6941 Haggerty Road, has been graduated from a U.S. Air Force technical school at Kessler AFB, Miss.

He was trained as an air traffic controller and has been assigned to a unit of the Air Force Communications Service at Wurtsmith AFB, Mich.

Congressman Ford Raps Nixon Tax Reform Plan

WASHINGTON, D. C. - Congressman William D. Ford (D)-15th District of Michigan) rapped President Nixon's recently announced tax-reform proposals as "totally inadequate" and called upon Congress to adopt a more far-reaching program.

Congressman Ford pointed out that the Nixon Administration had previously asked Congress to raise the national debt ceiling, to extend the 10-percent surcharge and to reduce non-defense spending.

"As each of these fiscal policy measures has been announced," Congressman Ford said, "I have asked the same question: Could not comprehensive tax reform achieve the same fiscal ends?"

"Therefore, when the administration's tax reform proposals were released, I was optimistically waiting to see tax reform pursued with the same vigor as raising the debt ceiling, extending the surtax and cutting moneys from domestic programs had been pursued.

"I was, however, a bit disappointed that the President's tax reform proposals were not more comprehensive."

Congressman Ford charged that Nixon had offered some

reforms in an effort to make the surtax extension "more palatable."

"I have no quarrel with what he has proposed: a minimum tax, tax exemption for poverty-level families, repeal of the 7-percent investment tax credit, allocation of deductions, elimination of mineral production payments, elimination of the multiple-corporation gimmick, elimination of losses on 'hobby' farms, an examination of foundations, and controls of charitable deductions," Congressman Ford said. "All these are worthy reforms."

"What concerns me is what he did not propose. Many of the most needed and obvious tax reforms were not among his proposals. I sincerely hope that we are not going to find ourselves saddled with a 10-percent surtax for 6 months and a 5-percent surtax for the next 6 months, without getting a truly comprehensive tax reform that will bring relief to the middle-income taxpayers."

Ford noted that he had proposed a number of tax reforms which were overlooked or ignored by the President. Among them were:

*Taxation of capital gains upon death.
*Elimination of the unlimited charitable deduction.

*Elimination of special tax treatment on stock options.
*Elimination of the \$100 stock dividend exemption.

*Removal of the tax exemption on municipal industrial development bonds.

*Establishment of a municipal bond guarantee corporation.

*Reduction of the oil depletion allowance from 27-1/2 to 15 percent.

*Establishment of similar tax rates for estate and gift taxes.

*Elimination of payment of estate taxes by redemption of government bonds at face value.

*Elimination of accelerated depreciation on speculative real estate.

Ford declared that only the 'very rich' benefit from these reforms which the President overlooked.

"By not proposing these reforms, I fear that the President leaves himself open to charges that he has decided to favor and keep preference for the rich and for the

corporations, at the expense of the American wage earner," Congressman Ford said.

"The President stated that under his proposal there would be no substantial gain or loss in revenue. This need not be the case. Estimates of what tax loopholes cost the Treasury go as high as \$50 billion a year. If the administration would propose a tax reform bill with some real substance, a surtax, be it 5 percent or 10 percent, would not be necessary.

"The administration's attempt to tie repeal of the 7-percent investment tax credit with extension of the surcharge misses the mark. Both are measures to slow up an overheated economy - just as raising revenue through tax reform and cutting the budget. The basic choice is which of these methods to use. My vote will go for tax reform and relief for the taxpaying individuals who work for wages or operate small businesses, and who pay the majority of our income tax."

Concerts To Resume

YPSILANTI—The annual Children's Concert presented by the Eastern Michigan University-Civic Symphony Orchestra will be resumed after a two-year lapse.

The concerts, for school grades 4 through 9, are attended by classes which

make reservations in advance for either of two concerts to be given May 14 in Pease Auditorium.

This year the concert at 1:15 p.m. will be attended primarily by schools coming from some distance from the auditorium.

ELECTION

(Continued from Page 1)

Alfred J. Perry, present township clerk, 407 votes.

Ellis T. Pennington, present trustee, 406 votes.

THERE WERE 61 absentee ballots included in the vote totals. Two ballots were voided when vote applications lacked signatures of the voters.

Governor William Milliken scheduled the special primary and general elections when present members of the Township Board were unable to reach an agreement on appointing an interim successor.

Smith has been a resident of the community for the last 24 years. He and wife, Margaret, are the parents of seven children. The Smiths reside at 7300 Taft, Inkster.

HE IS presently employed as a sales and service representative for the Equitable Life Assurance Society, Detroit.

He has been a member of the Romulus School Board and elected a township trustee in 1968. He has been a Democrat precinct delegate for a number of years.

He was township clerk in 1959, 1961, 1963 and 1965 when he resigned to enter private business.

DRESS REVIEW

(Continued from Page 1)

was named first and Joy McCann, second. Sue Schultz and Sheila Oakley are first and second alternates. (Sports or Rainwear), LuAnn Schultz, first; JoAnn Neeley, second. Alternates: Ardyth Curry and Joan Otter. (Best Wear, party or dress up), Francis Azeison, first; Shalimar Beatty, second. Alternates: Crystal Woods and Sandi Schmidt. (Hand Knitwear, Jr. & Sr.), Lynette Ritter, first; Diane Posegay, second. Alternate, Lori Bies.

Beauties a Blessing

The Wayne Jaycees wasted no time in coming to grips with the Centennial Queen Contest which for the next several weeks will be running in "competition" with their own Miss Wayne of 1969 Beauty Pageant.

Of all the rotten luck after weeks and months of planning (?), the Jaycees are now faced with possibly having no contestants to vie for the Miss Wayne title because "Tiger" Lentine has already launched his Centennial Queen quest and the very first week succeeded in garnering three of the most lovely young ladies, all former Homecoming Queens from the three high schools here, and appears to sign up a host of others interested in winning that all-expense-paid trip for two to Hawaii which will be awarded to the Centennial Queen.

Added to the woes of Jaycee Jerry Smith, chairman of the Miss Wayne Beauty Pageant, is the development that in announcing the kick-off of the Centennial Queen contest the story in this newspaper was headlined "Homecoming Queens Join Centennial Race".

"Homecoming" has always been associated with the Wayne Jaycees, we are given to understand, and their annual carnival conducted in July. Although it appears this major fund-raising endeavor by this local service club has been doomed by action of the City Council taken following last year's event, still they have this last one yet to be staged with the Council's blessing.

Flying the Flag

Area communities have recently adopted the habit of flying the flag at half staff in all public places for a period of time following the death of a local resident in Vietnam.

While the observance of this honor to American war dead is well motivated, a dissent has been noted by George W. Harms, chairman of the Michigan Department of the American Legion Americanism Committee.

Harms says in a recent column on flag etiquette, "It is in violation of Public Law 829 to half-staff the National Colors with the exception of Memorial Day and upon proclamation by the President of the United States. This provision contained within the Flag Code states that only during periods of national mourning is the American flag to be lowered to half-staff. Granted that the nation should mourn for the death of our young men in Vietnam, but unfortunately such proclamation has not been forthcoming nor in the light of political affairs is it likely to be."

Our Library

The current dispute over the closing down of some of the branches of the Detroit Public Library and the cutting back of hours for use of the remaining branches should prove a point for Western Waynites.

Detroit, with its fine but faltering library system, is finding that money spent by government locally is being gobbled up on too many other levels for very much cash to seep down to the place designated for library services.

Library services, generally, are about as far down the totem pole of spending priorities as anything. Libraries spend about equally with recreation programs and the dog pound.

It seems that we are in danger of overlooking the injury we might inflict on our educational system, and thus on our children, if we allow our libraries to fall behind the times. The massive amount of new human knowledge that must be put into our libraries every year is building up at a fantastic rate. More and more of this accumulation of knowledge must go on microfilm and tape--there simply aren't enough shelves to hold it.

All of this knowledge must be recorded and preserved not just for us, but especially for our children. They are the real reasons why libraries should be given higher priority on the spending totem pole.

Westland and Wayne, particularly, share a small--if good--library between them. And this for at least 100,000 persons. Somewhere, some money should be found, and some enthusiasm encouraged among local citizens, to remedy this sad situation.

Whether the Jaycees will lodge a formal protest to Centennial Chairman Lentine because he is registering "Homecoming" queens for his Centennial Contest is not yet clear. Good sports that they are, the Jaycees will most likely just roll with the punch.

For whoever may be interested, we took no notice of any possible affront to the Jaycees in last week's announcement of the Centennial Queen's Contest. Use of the word "Homecoming" came quite naturally obviously because the first three to register with Lentine were, in fact, last year's homecoming queens at Wayne Memorial, John Glenn and St. Mary's high schools.

Since the Jaycee Beauty Pageant takes place weeks ahead of the Centennial Queen Contest, the Jaycees need entries right now much more than Lentine does. The Pageant finale is set for May 28 while the Centennial Queen will not be crowned until the night of the Centennial Ball on July 26.

Perhaps the best course left open to Jaycee Pageant Chairman Smith is to make a deal with Lentine to have each of his Centennial Queen contestants automatically signed up for the Beauty Pageant, too, at the time they register for the Queen's Contest.

There is nothing like a beauty contest to spark up the pages of a newspaper. And the only thing we can think of that is better is the prospect of TWO beauty contests. The community is indeed blessed this year.

Harms says while the American Legion has been working toward a conference on the current rules for flying the flag, it stands by the law as it is, which would prohibit local communities from taking independent action to lower the flag in that community whenever it is felt appropriate.

Perhaps Harms does have a point. While the practice works well in a smaller community like Garden City which, fortunately, experiences few such casualties, the practice would never work in Detroit. Similarly, does such an action actually take away from the effect of lowering the flag? If we lower the flag too often, will it begin to mean less to our citizens.

For those who believe that flying of the American flag is something that requires the greatest degree of care, we think it could be worthy of some discussion in our local communities.

REFLECTIONS

Hung-Up on Sex?

One of my readers wrote me the other day and asked me to write a column on the abundance of pornography available today... right on our own front doorstep.

However, I've been told a lot of people keep sex manuals tucked away in drawers because of some mental hangup on the part of one of the partners, but here again I have to agree with one of my favorite authors, Peter DeVries, when he went around wondering why so many people get so hung up over something so ordinary as sex.

I probably would know more about pornography if I saw more movies or went to the library more often. One book I wouldn't be able to get at the library, "Portnoy's Complaints," is about the most eloquently written dirty book circulating... and the reason you can't get it at the library is not because it's dirty, but because the waiting list is too long.

The author, Philip Roth, when accused of being a wee bit nasty in writing about poor old Portnoy who had about all the complaints man has ever had from the days of the Roman Orgies to the present orgasmic time, told a New York Times reviewer that he didn't necessarily hold to all that stuff...he was just telling what Portnoy said, in the way Portnoy said it.

'IF IT FITZ...!'

A Wife With Real Class

By JIM FITZGERALD

For days my wife has been coming up out of the basement in a weary condition, moaning, with bloodied fingertips and paint on her shirt.

This is not because they cancelled the Mrs. America contest and she has nothing to train for. It is because she didn't attend Michigan State University and therefore has no class.

What my Patricia is doing in the basement is finishing a table. This is a project of tremendous proportions, as any husband married to an antique-nut will tell you.

When my wife wants a new table (or most anything made of wood) she does not go downtown and buy it. She finds an old aunt on her deathbed. She waits patiently, and kindly, for the dear lady to die. Then she swoops into the deceased's home and makes off with a kitchen table that George Washington slept under.

"I am saving you \$100," Pat explains as I get a \$1,000 sprain in my back carrying the table into the basement.

You might wonder why the table goes into the basement instead of into the kitchen where it is

needed. You must be a bachelor. The thing is, see, that Pat doesn't really like this table. Yet. It must be scraped and sanded and re-glued and re-nailed and painted five times. This takes 14 months. In the meantime, the old kitchen table has been given to a married daughter and we eat off the floor.

Anyhow, that's how it is and that explains what Pat has been doing in the basement.

"Listen," I said, "this has got to stop. I am a graduate of Michigan State University and I can't have my wife sanding and painting a 100-year-old table just to save me \$50. I want you to go downtown tomorrow and buy the nicest table you can find. Tell 'em Jim sent you. That's class."

"You'd better explain yourself," Pat answered. "Last week, when you bought our first new car in six years, you said we couldn't buy another thing for 15 years. That was the day the grocer caught you trying to return non-returnable bottles."

"Yes," I admitted, "but that was before I read about the table bought by Michigan State. They paid \$3,580 for a Brazilian rosewood table to go in the boardroom of the new \$5.9 million administration building. This table is 39 feet long

and only eight guys are going to sit at it—the MSU trustees. They can table 1,365 motions at one time. And they meet only once a month."

"I didn't know you went to such a rich school," my wife said.

"Neither did I," I admitted. "I remember when they called it a cow college. If there are still cows at MSU, they probably have split-level stalls with carpeting and color TV. Starlets with no fingernails are probably flown in from Hollywood every morning to milk them."

"As a taxpayer and an alumni, I support that university. And it just isn't right for the strangers I support to have a \$3,580 table while my wife breaks her back trying to make a \$22 table look like \$75," I said.

"But I like old tables refinished," she said. "I don't want a 39 foot table. A table that size for eight people doesn't make sense, especially when they meet only once a month. You might call it class; I call it a waste of our money."

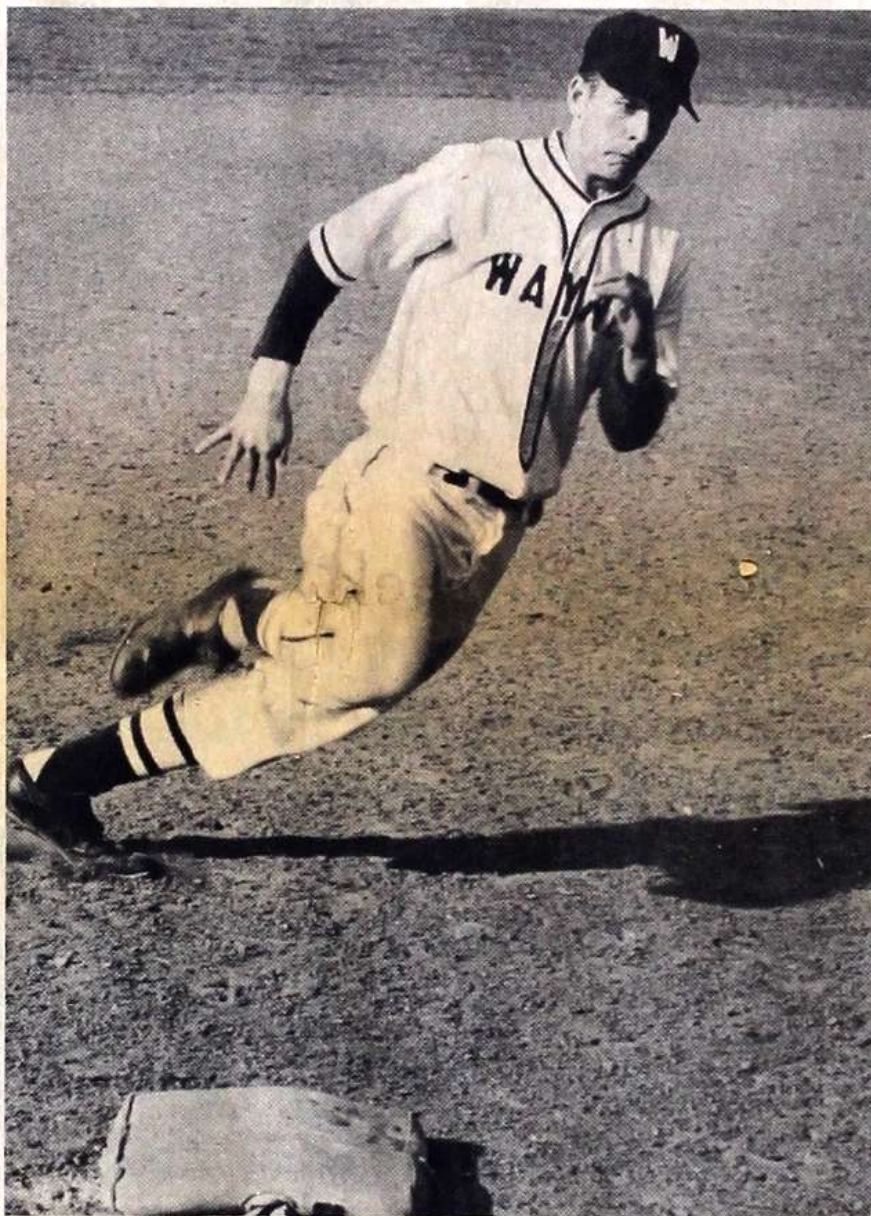

"That's what I get for marrying a peasant," I said.

That's what I said. But if that girl ever gets out of the basement long enough, I am going to run her for MSU trustee.

It's The Season

Sanity For Our Justice

By DICK McKNIGHT

Choosing police-community relations to talk about this week is like commenting on a snowflake in the middle of a blizzard.

It may be difficult to remain academic as the realities of the ugliness of a police-black community confrontation are upon us in Westland. Police-community relations, something Westland policemen have been working on for two-and-a-half years, stand in imminent danger of being destroyed.

Although many policemen would disagree, it is possible that the incident in Westland and others like it would be better and more sanely handled if the community had a logical place for such complaints to be taken.

If the procedures for making complaints against police were well known, and agencies set up to receive them, the taking of political advantage, so often present in such matters, could be frustrated and some of the polarization of our black and white, liberal and conservative citizens could be ended.

You can call the logical agencies for complaints against the police a Civilian Review Board if you like, a Police-Community Relations Panel, or any other suitable title. The idea is to have a board of elected citizens who will investigate and adjudicate such complaints. The board would not be responsible to the police, but would have the force of a public agency.

In concept, the board would not be the enemy of the black community, the white community, or the police, but would act as impartially as humanly possible, much like a court must, in weighing the facts of a complaint and ordering redress of grievances where they are proved.

Complaints brought against the police would be handled fairly, we all would hope, by the review board. But the remedies would not end there, since appeals could be taken to, perhaps, the Police and Fire Civil Service Commission where one exists, to Circuit Court, to the State Court of Appeals and Supreme Court and on to the top. The review board procedure would effectively bring the process of judging complaints against policemen into the judicial system.

Currently, a complainant can file criminal charges against an officer--this demands a showing of the officer's guilt beyond a reasonable doubt--or can petition, as happened in Westland, the public officials of the community for redress. Once the public officials have been confronted, there is no way to escape the fact that political interests are going to be served at the expense, perhaps, of either the complainant or the police department, or maybe both.

A great segment of the white community, and almost all policemen, have steadfastly opposed any attempt to subject police action to the review of a civilian board. When the voters of New York City were asked to approve such a board last year, the worst kind of charges-racial and political-flew back and forth and policemen scarcely hid their contempt for a review board, which they characterized as a stripping of the confidence of policemen that would lead to more crime.

The New York City civilian review board was defeated by a vote of 1,250,000 to 750,000.

It seems, however, that there are arguments for a review board that policemen themselves should listen to, and questions they should ask of themselves. What is so much better about the current way in which a charge of police brutality is handled, that would be worse under a civilian review board? Are the round of charges, racial threats and animosities preferable to some orderly process of adjudication by an impartial, elected board?

Would a board elected in Westland, or Wayne or Inkster really represent only those suspicious of police, or would the board reflect the community and its real feelings? Certainly, Western Wayne County citizens usually support rather than attack their police, and would be expected to vote the same way.

Society is forever seeking after new ways to make justice work. Why not try this? What better idea do we have?

By JOYCE HAGELTHORN

He did end the tale, however, with Portnoy exhausted on the couch of a psychiatrist (where he'd been throughout the whole book...physically, that is) and the psychiatrist closing up his notebook after the baring of Portnoy's ribald soul, with the remark, "Okay...so now we can begin."

It has occurred to me that what we are doing...flaunting our naked bodies everywhere, and being able to watch seduction being carried out to its final end on the movie screen; or being able to read books full of exciting dirty words right on the bus, or wherever, that we might be attempting to throw off the very last vestiges of mid-Victorianism.

It also occurs to me that all this "openness" might solve a lot of the problem we've had for some time. A great many people have been worried about our kids getting too wise, too soon, and that they will then go out and experiment before it's time for them to experiment.

I contend just the opposite. Having had a bit of experience with kids, I'll predict that the more open everything gets, the less kids will think about it. "So what's new?" they'll yawn.

And if you really want your kids lily-white...just try making them read the

books; force them to see the movies; shove the whole bit down their throats. They'll rebel, of course...and what do you get? A bunch of virtuous kids...that's what!

Now, the next thought is that all of this nudity and stuff might be the answer to the birth-control problem. What's going to titillate? Remember when the sight of an uncovered ankle turned a fellow on? That was because that sight was so rare...so what's rare now?

Who needs the pill if there's no electricity?

There's one more thing I wonder about. Down through history it's been shown that at the end of an age comes disillusion.

If this be true...perhaps we're throwing everything in, in one final spasmodic twitch, to camouflage the disillusion. And when we are spent with it all, lying weary and exhausted, dripping from over-saturation, we may be able, as a people, to agree that it's silly to get so hung-up over what is so ordinary as sex and nudity, and all that bit...and close the chapter and say,

"Okay, so now we can begin...begin with what is really important...the growth of the spirit...the nurturing of the expanding consciousness, and the exploration of the non-physical unknown."

Poetry Corner

MOTHERS DAY

We hear so many lovely thoughts
Expressed on Mothers Day,
Comparing Mother to a saint,
In everything they say.

They speak of all her noble deeds,
Her kind and loving care;
And this one day they set aside
For Mothers everywhere.

Our mother merits all our love,
Our gratitude and praise,
For being such a darling
In so many different ways.

But what about the other days
Which come throughout the years?
When mothers name, or of her fame,
We seldom even hear.

On Mothers Day we wear a flower,
And make a lot of fuss,
To show to all the other folk
What mother means to us.

If you don't love her all year through,
In spite of what you say;
You can't fool mom by sending her
A card, on Mothers Day.

"The Bard of Belleville"
Wilbert Harden.

GENTLE SPRING

Green leaves that bring us spring,
Green sprouts that come with spring,
Green grass and leafy bowers,
Green leaves and fragrant flowers,
And it's spring,
Yes it's spring.

Bright petals bring us posies,
Pink petals bring us roses,
Green leaves can form a spray
For our flowery bouquet,
For it's spring,
Gentle spring!
By Mary E. Buege

Letters Are Welcome

Getting things off one's chest in relation to the pros and cons of everyday community affairs and municipal operations by Letter To The Editor is an excellent method of letting us know how you feel about your town.

We welcome Letters To The Editor. It is one of the many ways of expressing your thoughts and opinions. Please keep your letter within 300 words and we must request the writer to sign the letter.

Requests to withhold the writer's name will be honored. All letter matter use will be subject to our decision. Let us hear from you and how you feel about your community.

Film Rally

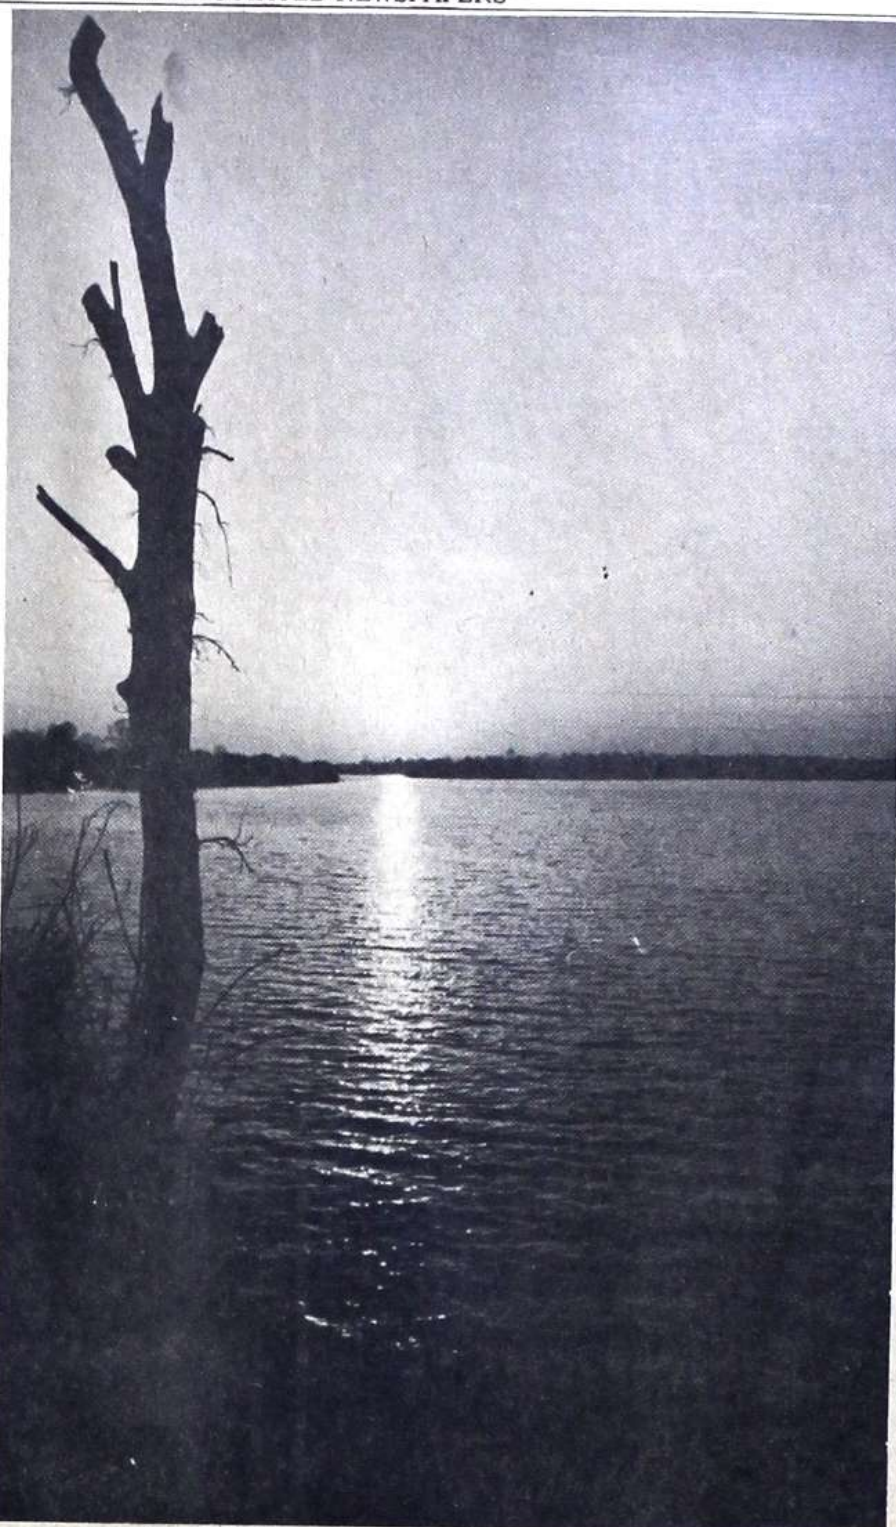

ANN ARBOR — The Huron Valley Youth For Christ will sponsor a film youth rally on Saturday, May 3, at 7:30 p.m., at Ann Arbor High School.

The film, "Flipside," boldly and graphically portrays to a generation warped by dope, sex, liquor, broken communications, hippie philosophies and godless pleasure that Christ is the Way.

Because of the nature of some scenes in the film, only teenagers and adults will be allowed to see the film. There will be a \$1 donation per ticket.

Also, featured at the rally will be the French Dukes. The French Dukes are one of the best drill teams in the country. They have performed locally, and they had the privilege of performing at President Richard Nixon's Inauguration.

The public is cordially invited. Doors will open at 7 p.m.

BELLEVILLE LAKE--This serene and beautiful view of Belleville Lake, one of Western Wayne County's popular recreational areas will be soon be a bee hive of activity as local boaters prepare for another summer of fun and boating. During the past several days property owners were found busy fixing docks and sprucing up their lake frontages for planned summer recreational programs and living.

Chamber's Ladies Night To Be May 7

BELLEVILLE--The Belleville Area of Commerce will hold its annual Ladies Night program on Wednesday, May 7, at the Detroit Metro Inn, located on Merriman Road at Wickham Road, Theodore F. Kuckelman, executive director, announced.

The annual affair, one of the important days in Chamber activities, will get underway with a social hour starting at 6:30 p.m. Dinner is to be served at 7:30 p.m.

A Roast Beef dinner with all the trimmings will be served. Dancing will follow dinner.

Members and guests ticketed are \$6 per person which includes tax and tipping.

Reservation is required for the event and they should be

in the hands of Chamber's staff on or before Tuesday, May 6, at 12 Noon.

Payne Promoted

BELLEVILLE--Thomas M. Payne, son of Mr. and Mrs. James B. Payne, 3804 12th Ave., Chattanooga, Tenn., has been promoted to staff sergeant in the U.S. Air Force.

Sergeant Payne is a preventive medicine specialist at the U.S. Air Force Academy Hospital, Colo.

The sergeant's wife, Marian, is the daughter of Mr. and Mrs. George F. Conklin, 16199 Haggerty Highway.

You May Be Next!

Apologists for rising civil disorder in the United States like to remind us that an infinite small percentage of the overall population is involved in any form of lawbreaking.

No one should be fooled by this sort of look-the-other-way reassurance.

According to late FBI reports, "Serious crime in the United States increased 17 percent in 1968 when compared with 1967...." Further, FBI Director Hoover

reports that in 1968, "Crimes of violence were up 19 percent, led by robbery up 29 percent, murder and forcible rape up 14 percent each, and aggravated assault up 12 percent.

The crimes against property rose by 17 percent as a group."

The chances are growing from month to month and year to year that your number will come up and your person or your property will fall prey to the criminal who respects neither.

Goodwill Week

Observance of National Goodwill Week this year, which takes place between May 4 and 10, holds more than usual significance.

The nationwide self-help program of Goodwill Industries providing training and employment for the handicapped is a particularly fitting and unique illustration of the manner in which it is possible for a worthwhile endeavor to stand on its own feet through the voluntary actions and support of the American people.

The far-flung operation of Goodwill Industries are kept going by the generosity of those among us who provide the organizations with the substance of its existence--used clothes to be mended, as well as used toys, furniture and other objects that, with repair, may be sold for revenue to perpetuate Goodwill work.

The repairing is done by handicapped persons employed by Goodwill. Beyond that, Goodwill Industries provide rehabilitation training and placement of handicapped persons in different industries that may have niches for them.

Over the years, countless thousands of handicapped have found new hope, jobs and economic independence through this outstanding organization.

Goodwill Industries has demonstrated the capacity of the U. S. system to combine generosity with good business principles. At this time, as answers are being sought for a wide range of social problems, this holds a special significance for the entire nation.

"Win Schuler's" Is Speaker's Topic

Van Buren Association of Educational Secretaries and their guests gathered at Belleville Junior High School Wednesday, April 23, for a program presented by Edward Meyers, manager of Win Schuler's Restaurant of Jackson.

He informed the group of the new Win Schuler's planned for Ann Arbor and which is to open sometime in 1970. The new restaurant will seat from 800 to 1200 persons.

Win Schuler, owner of the corporation, has taken a franchise from the Marriott Corporation which is developing a cross-country group of motels. The Ann Arbor complex will be a multi-section restaurant-motel operation. Marriott's name will appear along with Schuler's on the new motel. Schuler's has the Michigan franchise with rights to build six motels.

ALL SCHULER'S restaurants use an author's theme: Charles Dickens at Jackson; Sir Walter Scott at Marshall; Dr. Sam Johnson at St. Joseph; and Robert Burns in Grand Haven.

An item, which drew laughter when demonstrated, was the 'yard of ale'—an elongated glass meant for handing to a man high atop a coach. The water in it splashed somewhat when Mrs. Roland Henderson and Mrs. Jere Dolph tried to sip from it.

Mr. Meyers spoke briefly on plans for the latest restaurant at South Bend, Indiana, and the problems which will arise from transporting foods across a state border. This, too, will be a restaurant-motel.

In the commissary at Marshall, the meats, cheeses, and other main foods are prepared by a chef and trucked to the four other restaurants.

He also spoke, too, on the food featured at Schuler's, giving samples to about a dozen women and with Mrs. Richard Muse winning the gallon-size vacuum pack of hamburger. There were other samples of the vacuum-packed 14-ounce strip steak and duckling.

Other guests received samples of the 'bar cheese' made at the Marshall Commissary and sold in crocks by the thousands. He mentioned that it will soon be possible to purchase this cheese in local grocery stores.

Mrs. John Jobe, who made arrangements for the speaker, was presented an "I Cook for Win Schuler" chef's apron.

Following a question and answer period, members and guests were served refreshments and spent the remainder of the evening chatting with Mr. Meyers.

All Around The Town ... WITH LEE

PAIR OF SHOWERS

JOANNE GRAJEK, who became Mrs. Ronald B. Smith during an evening ceremony Saturday at St. Mary's Church, Wayne, was honored at two bridal showers prior to her marriage.

The first, tagged 'personal' by Joanne's sister and maid of honor, Janice, included 10 friends and classmates who gathered for an evening party at the Grajek's Hannan road home. Cheryl Krakowiak, another of the bridal attendants, assisted with the evening plans which centered around several wedding theme games and a buffet lunch.

The second shower, held at the Wildwood Hall, on Ford road, had three of the bride-elect's aunts, Mrs. Frances Vincent and Mrs. Richard Grajek, of Westland, and Mrs. Raymond Grajek, of Wayne, as co-hostesses.

Some 100 guests answered invitations and sat down to an afternoon of card bingo followed by a buffet dinner. Using the rainbow theme of the wedding, the hostesses had a miniature arrangement of bridal party dolls on the gift table underneath a white parasol—each wearing the respective colors of the wedding.

When Joanne opened her wide variety of household gifts she was helped in the ribbon and wrapping department by her sister, Janice; Sue Hammond and Cheryl Krakowiak, of Belleville; and Nancy Krupa, of Oak Park, who were in the bridal coterie. Also giving a hand with the pretty packages were the four flowergirls, Sherie and Lisa Smith, sisters of the prospective bridegroom; and Susie and Julie Grajek, nieces of the bride-to-be.

TWO CANDLES

THERE WERE A pair of pint-sized candles on the Teddy bear theme birthday cake which marked Theresa Davis's second birthday Sunday, April 20. Next to those smaller candles, though, there was a big, 10-year candle which burned down to the 'two' that day.

The celebration, held at the home of Theresa's grandmother, Ruth Davis, of Denton road, included special ice cream and ices formed into rosebuds. Sharing the birthday goodies with the little button-nosed honoree (she's a cutie!) were her great-grandmothers, Mrs. Alice Jurn, of Ypsilanti, and Mrs. Waldo Vogan, of Toledo; her mother, Mary Davis; and grandmother, Ruth Lindsay; great uncle and aunt, the Ben Drivers and daughter, Melissa, from Toledo; her uncle Craig Davis; Mrs. Don Lee and daughter, Tonya; and Mrs. Garland Lafferty and daughter, Melissa, all of Belleville.

INFANT CHRISTENED

RYAN MICHAEL Beard, the three and a half weeks old son of Robert and Stephanie Beard, received the sacrament of baptism Sunday, April 20, at St. Aloysius Catholic Church where Father James Wilson presided.

His God-parents, Mr. and Mrs. Dino Bona, of Dearborn, were guests at the dinner which followed at the Beard's Geddes road home. Also attending were their little son, Tony, and the honored baby's paternal grandparents, the Robert Beards, of Romulus.

AT CONVENTION

SEVERAL OF our local 'dental group' were in Detroit last week to take part in the 112th Annual Michigan Dental Association Convention at the Statler-Hilton. Events for both the dentists and their wives (most of whom are affiliated with dental auxiliaries) were planned during the three-day meet.

Attending from Belleville were Dr. and Mrs. John Tator, Mrs. G.G. Miller, and Dr. and Mrs. Ronald Sierota.

While their husbands were busy with meetings, the ladies were entertained both days at luncheons. Monday they met at Howard Johnson's on the Boulevard and enjoyed a puppet show planned by the Macomb County Auxiliary to the Michigan Dental Association.

The following day they dined at the Pontchartrain Hotel where the main speaker was Nila Magidoff, a Russian immigrant married to NBC correspondent Magidoff. Her topic, "My Discovery of America," told of her former life in Russia, her life as an exile and former journalist, and her new days as a 102% American.

HERE 'N THERE

THE 18TH ANNUAL Home Tour, sponsored by the Women's City Club of Ann Arbor, was on the calendar last Friday for Lucille Perry and her two guests, Helen Miller and Lee Smith; and Dorothy Wimberley who asked two friends from Ann Arbor, Quillian Ditto and Thelma Crawford. Mid-way through the interesting afternoon, the group stopped for lunch at the City Club. LITTLE MARTA JOHNSON, daughter of the Jack Johnsons, of Ecorse Road, was feted Sunday on her first birthday. Dinner at two was planned and guests included the honoree's grandparents, the Ben Hillyards, of Royal Oak, and the Paul Johnsons, of Detroit. Also attending were Marta's God-parents from Royal Oak, Don and Dena Ford.

Food Outlook

Food economists are predicting retail prices for the first half of 1969, compared with 1968, will be lower on pork, fruit, fresh and processed vegetables, fats and oil.

For other foods, like eggs, turkeys, dairy products, potatoes, candies and soft drinks, prices will be higher.

Staying the same will be prices for beef, cereal and bakery products, sugar, tea, and coffee.

The eagle appeared on coins minted in New York in the 17th century.

They're Wearing Diamonds-- Third Finger, Left Hand

HARVEY-BROUGHTON

BEAUDRIE OCICH

EICHOOLD-CHUBB

Mr. and Mrs. Lacy Harvey, of Davy, West Virginia, announce the engagement of their daughter, Wilhemina Jean, to Airman First Class Thomas Franklin Broughton.

Miss Harvey, who resides at 48631 Willis Road, Belleville, graduated from Welch High School and is currently employed at Ridgewood Hospital.

Her fiancé, son of Mr. and Mrs. Frank Broughton, of Alden Drive, Belleville, graduated from Belleville High School. He is presently serving with the U.S. Air Force at Phan Rhang, Vietnam.

No wedding date has been set.

A May 31 wedding at the Grace Baptist Church, in Belleville, is planned by Sandra Lynn Beaudrie and Alex M. Yocich, both of Belleville. Announcement of their engagement and nuptial date comes from Mr. and Mrs. Edsel P. Beaudrie, Sr., of 23123 Bohn Road, Belleville, parents of the bride-elect.

A 1968 graduate of Belleville High School, Miss Beaudrie is currently employed at the Ecorse Truck Stop.

Her fiancé, son of Mr. and Mrs. Milton Yocich, of 900 Savage Road, Belleville, graduated from Belleville High in 1967 and is now working for the Ford Motor Company.

On the occasion of the 18th birthday of their daughter, Rebecca Eichold, Mr. and Mrs. Carl Mumford, of 42020 Fret Road, Belleville, announced her engagement to William Chubb.

A senior at Belleville High School, Miss Eichold is employed at Manning's Department Store, Belleville.

Her fiancé, son of Mr. and Mrs. Paul Chubb, of 23026 Bernard, Taylor, graduated in 1968 from Taylor Center High School. He is now employed at Hydra-Matic, Ypsilanti.

No definite wedding plans have been made.

GREEN-POINTE GEMS

Cancer Drive A Big Success

BY
FLORA KROPAT
941-3621

Fifteen women from Emerald Green and Diamond Pointe and surrounding areas hit the streets in their neighborhoods for the American Cancer Society.

A vote of thanks and appreciation goes to the following women: Mrs. Ray Cantrell, of Dodge Street; Mrs. John Cassidy, of Farnum Street; Mrs. Richard Dick, of Oakbrook Avenue; Mrs. June Hall, of Inkster Road; Mrs. Dwaine Heath, of Oakbrook Avenue; Mrs. Robert Knight, of Colbert Avenue; Mrs. Mary Luh, of Colbert Avenue; Mrs. William O'Dell, of Middlebelt Road; Mrs. Anthony Schroeffel, of Taft Avenue; Mrs. Gerald Stevens, of Taft Avenue; Mrs. Sandy Varga, of Taft Avenue; Mrs. Boyd Willbourn, of Taft Avenue; and Mrs. Roy Zilka, of Pennsylvania Road.

Mrs. Mae Herrell, from Paw Paw, West Virginia, was the week-end guest of her son and daughter-in-law, John and Jan Herrell, of Emerald Green Estates.

Mrs. Romney To Speak

YPSILANTI—Mrs. George Romney will deliver the main address at the 116th June Commencement of Eastern Michigan University on June 14, it was announced.

The wife of the former governor will receive at that time the honorary degree of Doctor of Humanities conferred upon her last year but which she could not accept at the time because circumstances did not permit her attendance at the ceremonies.

A large birthday cake decorated with 'Peanuts' cartoon characters, and saying, "Happy Birthday, Shawn" was served last Saturday afternoon for Shawn Warden's fifth birthday. To help celebrate, 35 neighborhood children attended the party.

After a few games, refreshments were served including cake, ice cream, and soda pop.

Later on Shawn opened her many gifts and played with the toys she had received. A good time was had by all.

Fred and Barbara Lovett and their son, David, from Wayne, were the week-end guests of her brother and sister-in-law, Bill and Linda Sweatt from Diamond Pointe.

COLUMNIST NOTE

If you're wondering what happened to my column last week, I was in the hospital and unable to write. But as you can see I am well and writing again.

I wish to thank all the people who sent get well cards, and special thanks to my mother-in-law who came from Collingswood, New Jersey to take care of my children and husband during my stay in the hospital.

BELLEVILLE BREVITIES

Several Couples 'Home' After Winter In South

BY
MRS. JOSEPH SPRING
OX 9-4021

After spending the winter at Boynton Beach, Florida, Mr. and Mrs. George S. Renton returned to their Martinsville Road home on Tuesday, April 15. Enroute home they visited their grandson, Sp/5 Frank Renton, and wife at Newport News, Virginia. Frank, who is the son of, George A. Renton of Saline, is an instructor at Eustis Field.

The Ron Thompson family of West Columbia avenue and the John T. Thompson family of High street spent the weekend of April 18, at the former's cabin at Oscoda.

On Saturday, April 19, Mrs. Leo Gloyd, of E. Huron River Drive, accompanied her son, Harold, and wife of Allen Park, to Montpelier, Ohio, where they attended an "Open House" on Sunday honoring Mrs. Louise

Gephart, mother of the younger Mrs. Gloyd, on her 85th birthday. They all returned home on Sunday evening.

Recent week-end guests of Mr. and Mrs. S. C. Pierman, of E. Huron River Drive, were the latter's brother and wife, Mr. and Mrs. Loren Allen, of Springfield, Ohio.

Mr. and Mrs. Wilbur Raymond, of New Hudson, were Sunday afternoon callers at the Darryl H. Raymond, Sr. home on West Wabash.

Mr. and Mrs. Clarence Bohl recently returned to their home on Belleville road after spending several months at Melbourne, Florida.

Mr. and Mrs. William F. Damske were Sunday afternoon callers on the latter's sister, Mrs. Joseph Spring.

Dr. and Mrs. J. H. Tator and Helen Miller attended the meetings of the Michigan State Dental Society held at the Statler-Hilton in Detroit on Monday and Tuesday of last week.

Mrs. Nina Todd, of Liberty street, was taken to Beyer Hospital on Tuesday, April 22, where she has been under treatment for a heart condition.

After nearly six weeks in Annapolis Hospital, Mrs. Russell Harris was able to return to her home on Robbe street on Saturday, April 19.

Mr. and Mrs. Edwin Renton and son, Robert, who is home for the summer from college, spent the week-end at Gulliver in the upper peninsula.

Sunday guests at the home of Mr. and Mrs. S. C. Pierman were the former's aunt, Mrs. Tom Richmond, and uncle, Mack Crawfis, from Leipsic, Ohio.

Last Saturday evening Mr. and Mrs. Leon Boldt attended the installation of officers of Ann Arbor Commandery No. 13 held at the Masonic Temple. Leon was installed guard.

After spending a couple of weeks with their aunt, Miss Margaret E. Hope, of Main street, Mr. and Mrs. Stuart R. Hope, left for their home at Racine, Wisconsin, last week Sunday.

Bert Hill left Saturday for his home in Waterloo, Indiana, after spending the winter months with his nephew and wife, the William Hills, of Liberty street.

On Saturday, April 12, Mrs. Orrin R. Post attended the wedding of Ann Aurelia Geiser, daughter of Mr. and Mrs. Leonard Geiser, of Ypsilanti, and Sergei Bodel, of Summit, Illinois, at St. John's Catholic Church, in Ypsilanti. She also was a guest at the reception which was held at the Ladies' Literary Club.

After having spent the winter months at their Florida home in Melbourne, Mr. and Mrs. Paul Ulbick returned to their Fourth street residence last week Wednesday.

Mrs. Winifred Gault has returned to her home, on Roland street after spending the past six months at Easley, South Carolina, with her son-in-law and daughter, Dr. and Mrs. Ralph Bowick, and family.

On Wednesday, April 9, Elda Bohl, Janita Akers, and their sister, Dorothy Fritts, of Ypsilanti, motored to Clyde, Ohio, where they spent the day with their 95-year-old aunt, May Thurstin.

After having spent the winter months with her sons, Wallace Saunders of East Detroit, and Clayton Saunders, of Liberty street, Mrs. Lillian Moore returned to her home in Charlevoix on Friday of last week.

Tests at Cornell University have shown that turkey is highest in protein and lowest in cholesterol of all poultry and red meats except veal. It is also low in calories.

MR. AND MRS. ROBERT B. GREGORY

AT LUTHERAN CHURCH Gregory-Wolfcale Vows Repeated In Coldwater

A two week honeymoon throughout the state of Michigan followed the April 12 wedding of Nora Ann Wolfcale, of Coldwater, and Robert B. Gregory, of Belleville.

The young couple exchanged double ring vows in a seven o'clock ceremony at St. Paul's Lutheran Church, in Coldwater, where the Rev. Erwin E. Meyer presided. For the candlelight service the altar was appointed with two vases of white and apricot gladioli, the color scheme of the wedding.

The bride is the daughter of Mrs. James Wolfcale, of 26 Mill Street, Coldwater, and the late Mr. Wolfcale. Parents of the bridegroom are Mr. and Mrs. Park E. Gregory, of 375 Brain Avenue, Belleville.

Traditional wedding music was played by Paul Fuhrmann at the organ. Margery Johnson was soloist.

WALKING TO the altar with her uncle, George Maxwell, Nora appeared in a toe-touching creation of silk organza enhanced with imported Venise lace around the hemline. The lace motif was also used to form the high-necked yoke which was outlined with hand-clipped lace. Styling details on the gown also included full, sheer sleeves accented with lace from the elbow to the wrist, and a detachable train which drifted to chapel length as she walked.

A headpiece arrangement of Venise lace studded with

seed pearls secured her bouffant veil of imported English illusion which was cut in mid-back length. A cascade of white roses and tendrils of green ivy completed her bridal finery.

As maid of honor, Deborah Gates, of Coldwater, donned an apricot gown of organza over taffeta fashioned with long, sheer sleeves, and a high-rise bodice accented with a brown obi sash and bow.

Her accessories included a

fluff veil of English illusion and hand bouquet of apricot and white mums framed in brown tulle.

Susan Van Every and the bride's sister, Julie Ann Wolfcale, both of Coldwater, served as bridal attendants in identical ensembles.

BEST MAN was Richard D. Gardner, of Belleville, brother-in-law of the bridegroom. Others on the esquire side were David Wildbur, of Royal Oak; and Leo Wagoner, of Bronson, cousin of the bride.

At the reception, which followed in the church's fellowship hall, some 85 guests were greeted by Mrs. Wolfcale in a beige frock of crepe and lace. For her son's wedding Mrs. Gregory chose a green lace ensemble. Both mothers added yellow sweetheart roses to their dresses.

The new Mrs. Gregory graduated in 1968 from Coldwater High School and later attended Olivet College. Her husband, a 1966 Belleville High School alumnus, spent two years at Eastern Michigan University where he was affiliated with Phi Sigma Kappa fraternity. In June, 1968, he enlisted in the U.S. Navy and is now stationed in Guam where his bride will join him as soon as arrangements can be made.

MISS McCaffery

McCafferys Announce Betrothal 'Nicole' Is Here

Sharon Patricia McCaffery and Robert Edward Dunn, both of Belleville, are engaged. Announcement of their betrothal is made by Mr. and Mrs. Leonard McCaffery, of 45106 Paris Drive, Belleville, parents of the bride-elect.

A 1968 graduate of Belleville High School, Miss McCaffery is currently attending evening classes at Washtenaw Community College. She is employed as a secretary at University Hospital, Ann Arbor.

The prospective bridegroom is the son of Mr. and Mrs. Edward J. Dunn, of 45125 Harmony Lane, Belleville. A 1964 alumnus of Belleville High School, he attended Northwestern Michigan Community College at Traverse City and in August will graduate from Michigan Technological University.

No date has been set for the wedding.

'Nicole Lucille' is the name chosen by Mr. and Mrs. James Alvaroe, of 47236 Lauren Court, Belleville, for their new daughter born April 16. The 6 lb. 10 oz. baby was welcomed home Sunday by her sister, Shannon Marie, who's four years old.

The new addition is the fourth grandchild for Mr. and Mrs. Louis Bravatto, of Bedell Street, Belleville.

More Society News On Page Eight

Kaye Wallace To Wed L.K. Wright

The engagement of their daughter, Kaye Lynn, to PFC L. Kenneth Wright is being announced by Mr. and Mrs. Irving G. Wallace, of 14225 Elwell Road, Belleville.

MISS WALLACE

A graduate of Belleville High School, Miss Wallace spent a year at Northwestern Michigan Community College at Traverse City. She is currently employed as a receptionist for the Doctors A.M. and E.E. Capili, of Belleville.

The prospective bridegroom, son of Mr. and Mrs. Clyde Wright, of 20720 Waltz Road, New Boston, graduated from Huron High School and at the present time is with the U.S. Army at Fort Belvoir, Virginia.

No definite wedding date has been set.

Belleville Twirlers Win Places

Belleville--Six members of Belleville's "So-Fiss-Tee-Kats & Kittens Baton Corps" travelled to Dearborn (April 19) for competition in the Second Michigan Amateur Athletic Union of the United States Baton Twirling Contest.

Competing in the Big 6-8 age division were Veronica Richards, placing fourth out of 22 contestants, Cindy Tressler placing fifth, Kim Roulo, placing sixth, and Joyce Hagerman placing eighth.

This was the first competition for Cindy, Kim and Joyce. Miss Richards has a third, fourth, and fifth place in previous competition.

Also competing in the Big 9-11 age division were Debbie Landoski placing fourth out of 18 competing contestants and Kim Eichold who placed fifth.

The girls are practicing hard for the up coming twirling events and summer clinics. They are taught by Mrs. Penny Pearson.

ROMULUS PERSONALS

Local Pianists To Play In Annual Music Festival

BY PEARL MORRIS
941-1187

Six local pianists began practice at Grinnell's in Detroit Saturday and Sunday in preparation for the Michigan Annual Music Festival which will be held Sunday, June 15, at Cobo Hall. They are: Debbie Wahrman and Carla Hay, both of Romulus; Beth Denn; of Wayne and Mary Therese Ortnor of New Boston, who will play with Group II; and Flora and Marie Diepenhorst of Romulus who will play with Group III. The six are piano students of Miss Pearl Morris of Romulus, who is a member of the Festival Teachers' Association.

and Mrs. Karen Zavodsky of Whitehorn Street. Birthday refreshments were served. Also joining in the festivities was Kerry's brother, Kenneth.

After much prayer and anxious waiting a baby girl arrived recently for the Bobby Catham family of 38561 Westvale Street.

"Dawn Annette" was born at Garden City Osteopathic Hospital Monday, April 14, at 9:12 p. m. She weighed eight pounds, 10 ounces. Dawn has two older brothers, Kenneth, 5½, and Steven, 3½ years.

E-2 Jim Mullens is home on 24 day furlough after completing his training at Ft. Sill, Oklahoma. On May 10 he will report to Ft. Jackson, South Carolina, from whence he will leave for service with the U. S. Army in Germany. Jim is the son of Mr. and Mrs. Clyde Tucker of Castle Drive. He entered service December 3, 1968.

Cynthia Allmon, daughter of Mr. and Mrs. John Allmon of Huron River Drive South, underwent an appendectomy April 14 at Riverside Hospital in Trenton. She was able to return to her fifth grade classes at the Mt. Pleasant Elementary School this week.

THE OATH OF ALLEGIANCE--Members of the Boy Scout Troop at Haggerty Road School and members of the John M. Wahl Corps of Belleville shown given the Oath of Allegiance before a new American Flag presented to the troop by the Corps. Left to right are: Mrs. Irma Colley, Corps' color guard; Danny Stepfes, Mark Cothorn, honor guard; Dennis Akins, color bearer; and Mrs. Doris French, Women's Relief Corps senior vice-president.

WOMEN of The MOOSE

Belleville Chapter No. 1135 of the Women of the Moose held its Homemaking Chapter Nite Monday, April 14, at the Moose Home with Chairman Irene Keith and her committee in charge of the program. Three new members were enrolled into our defending circle: Mona Jean Jones, sponsored by Chaplain Mary Brooks; and Betty Reed and Ann Collins, both sponsored by co-worker JoAnn Lowery. Lunch was served and the dark horse was won by Phyllis Harden.

The nominating committee met Monday, April 21, at the home of Senior Regent Martha Morton.

The Women of the Moose put on the enrollment dinner for the Loyal Order of Moose on Saturday, April 19. The Senior Regent presented the Loyal Order a check for \$475. for their building fund from the Women of the Moose.

Monday, April 28, will be business meeting at the Moose home at 8 p.m. We will have as guest Former Grand Council member Betty VanHeck from Grand Rapids. All officers and chairmen are urged to attend this meeting. We would like a good attendance from co-workers.

The State Convention will be held April 25-26-27 at Muskegon and it has been drawn to my attention that the first session will start at 3 p.m. Friday April 25. Senior Regent Martha Morton will be attending the Convention.

Please get your applications in for new members as soon as possible in order that they can be properly processed.

Association Lists Talk By Judge

NEW BOSTON--Wayne County Circuit Court Judge Thomas Foley will shake the rafters at Huron Junior High School at 8 p.m., tonight (April 30) with an invigorating message to residents of Huron and Sumpter Townships.

If you have ever asked, "What has my community done for me--or anyone else?"--then COME TO THE PARTY sponsored by the Huron-Sumpter Association for Community Affairs. Admission is free.

NEW BOSTON EVENTS Convention Takes Couples To Bahamas

By
Mrs. William Havenstein
753-4258

Mr. and Mrs. James Krause, of Violet street, recently returned from a trip to the Bahama Islands where they attended the convention of Alexander Hamilton Life Insurance Company. Jim was one of ten agents from the Wyandotte Regional Office to attend.

Traveling with Jim and Liz as guests of the Krauses and Alexander Hamilton were Mr. and Mrs. Harley Trumbull, of New Boston, and Mr. and Mrs. Edwin Manier, of Belleville.

Unable to attend were Mr. and Mrs. Rene Compeau. As a Huron Township School Board member, Mr. Compeau was attending a school board convention in Florida.

The three couples are on the Alexander Hamilton Resident Advisory Board and work with Mr. Krause.

Huron Junior High seventh grade math classes toured the Peoples Bank of Trenton April 23. The students were given an opportunity to see the various departments and operations of the bank during their visit.

Charles Dittmar, math instructor, made arrangements for the tour and accompanied the students.

The Huron High Medical Careers Club held a tea on Thursday, April 24. Attending were students from the junior and senior classes who are interested in learning about the medical field.

The speaker for the afternoon was a representative of Wayne County Health Department.

Mrs. Ellen Weaver, high school counsellor and Mrs. Glenice Bosman of the Huron Township Health Committee, which sponsored the tea, were hostesses.

The students of St. John's Lutheran School, Waltz, will hold an Arts, Crafts and Hobby Festival May 2. During the evening event the children will display their talent and ability in many areas.

A reminder of the new driver education class that

will begin May 6. To qualify, students must reach their 16th birthday on or before October 31, 1969.

If you are interested, call, 782-1436 and leave your name, birthdate and phone number.

Mrs. Patrick Schiller, of Somers street, was elected president of the Jaycee Auxiliary of Huron Township at the April 16 meeting. Mrs. Schiller will assume the duties of her new office on July 1.

Also elected to hold office were Mrs. Andrew Nagy, vice-president; Mrs. Richard Lowe, secretary; Mrs. Alex Pachy, treasurer; and Mrs. Vernon Moore, director.

Mrs. Raymond Wood, Chairman of "Operation Purchase," a J.C. Assistance project for the purpose of purchasing Kidney Machines, has announced that cannisters will be placed in the Security Bank, New Boston and in the Peoples Bank, Waltz. These cannisters are for the collection of Betty Crocker coupons.

This project is statewide and collecting 60,000 coupons will purchase a life-saving kidney machine. Anyone having Betty Crocker coupons, please help in this most worthwhile project. Expired coupons will be accepted. The aim of the project is to purchase several machines and to have one ear-marked for the Downriver area.

Remember to save those Betty Crocker coupons, take them to the bank or give Mrs. Wood a call at 654-2255.

The Huron Township Health Committee will hold an Immunization Clinic on Thursday, May 1. Morning Clinics will be held in New Boston Elementary and Riverside Elementary Schools from 9 to 11 A.M. An afternoon clinic will be held at Huron Elementary School from 1 to 3 P.M. The evening clinic will be held at New Boston School from 6 to 7:30 P.M.

Benefit of the clinic is available to pre-school children and adults, as well as students.

BHS Shows Foreign Policy Film

BELLEVILLE--G. Edward Griffin's film, "The Grand Design," has won enthusiastic reviews from Congressman James B. Utt, The Honorable Ezra Taft Benson and General Curtis E. LeMay.

The movie deals with American foreign policy since 1945 and seriously questions its goals. An amazingly unique remedy is suggested as an alternative strategy.

Griffin is known nationally for his writings, lectures and debates. He is the author of two books, The Fearful Master; A Second Look at the United Nations, and The Great Prison Break? The Supreme Court leads the Way.

The movie will be shown at the Belleville High School on May 1, 1969, at 8 p.m. Admission free.

Teen Dance Canceled By Dimes

The All-County March of Dimes Teen Dance has been cancelled. Fred B. Towns, director, Wayne County Chapter, the National Foundation March of Dimes issued the following statement:

"Due to an unforeseeable circumstance the arrival of a naval air squadron at the Grosse Ile Naval Air Station, it has been necessary for us to cancel the All-County March of Dimes Teen Dance, which was scheduled to be held Saturday, May 3.

VISCOUNT POOL & SPORTS

On Friday, May 16, Cub Scout Pack 808 is holding a Pancake Supper from 5 to 8 p.m. at the Mt. Pleasant School, Hannan and Superior Roads. Admission will be \$1.25 for adults and 75 cents for children. Tickets may be purchased in advance from members of Cub Scout Pack 808, or they can be secured at the door.

An "open house" party celebrating the Golden Wedding on June 28 of Mr. and Mrs. A. T. Mulberry of Sarasota, Florida, formerly of Huron River Drive South, Romulus, is being planned by children of the couple. It will be held at the Calvary Baptist Church on Ozga Road. Friends of the Mulberry family are invited to make plans to attend the happy affair.

Mrs. Alice Ayers and her son, Gene, of Cogswell Road accompanied M. Ayers' mother, Mrs. Minnie Sheldon, back to her home in Williamsburg, Kentucky, over the weekend. Mrs. Sheldon had visited relatives in Michigan for the past month.

A Mother and Daughter Banquet will be held in the basement of the United Methodist Church on Olive Street Friday, May 9. Tickets should be secured in advance (there is a limited number) from members of the Men's Club of either the Romulus or New Boston Methodist churches. The men are sponsoring the affair.

Mr. and Mrs. Melvin LeBlanc of Allen Park were Monday visitors at the home of his brother-in-law and sister, Mrs. and Mrs. Pete Glaab, on Hannan Road.

Saturday evening Mr. and Mrs. Bill Krueger of Romaine Street entertained in honor of their son, Kerry's seventh birthday.

Guests were the honoree's grandparents, Mr. and Mrs. William Krueger of Wick Road, Mr. and Mrs. Grant Van-Aernum of Romulus Avenue; also Mrs. Bob (Joan) Moomaw and children of Sterling Street and Mrs. Bill (Jean) Moomaw and children Romulus Avenue;

Mr. C.W. Stillman, General Manager and Sales Director of Better Homes Food, Inc., is shown here mailing a check for fifty dollars to Mrs. Theresa Brisse, 42643 Mayhew in Sterling Heights. Mrs. Brisse was first to report the whereabouts of a "We Bury High Food Prices" hearse which was stolen from Better Homes Food, Inc., in early April. Better Homes Food, Inc. was happy to mail this fifty dollar check as a reward for Mrs. Brisse's alertness.

BETTER HOMES FOOD
MEANS THE BEGINNING
OF BIG SAVINGS!

A locally owned and operated food concern is offering food savings to 30 per cent. In the wake of rising food costs, BETTER HOMES FOOD is offering an INTRODUCTORY TRIAL FOOD OFFER. BETTER HOMES is distributing food on a direct-to-consumer basis, eliminating the middleman's normal profit.

The 30 per cent savings is possible because BETTER HOMES offers a wonderful variety of Steaks, Roasts, Chops, Chicken, Fish, Vegetables, and Juices in addition to Coffee, Oleo, Sugar, Soups and other staple items at tremendous savings.

The trial food offer makes it possible for families to enjoy the variety and savings possible only through BETTER HOMES without the necessity of purchasing a freezer or entering into a long term contract.

This is the answer to the housewife's dream--serving fine quality foods at substantial savings--enough savings to enjoy those little extras so hard to come by these days.

You can enjoy these savings through BETTER HOMES unique FOOD TRIAL OFFER.

THANK YOU
STERLING HEIGHTS
UTICA and SHELBY

John E. Monet,
President of Better Homes Food, Inc., would like to thank the residents of this area for the wide spread acceptance which they have given Better Homes Food, Inc.

This unique food merchandising plan has enabled many of your neighbors to make the savings that bring in the little extras which are so hard to come by today. This program is the answer to a housewife's dream...serving high quality foods at substantial savings.

You owe it to yourself and your family to find out about our way of burying high food prices

A FLAG PRESENTATION--The John M. Wahl Corps, Belleville chapter of the Women's Relief Corps, presented an American Flag to the Scout Troop at Haggerty Road School April 22. Left to right standing at attention are: Mrs. Irma Colley, color bearer; Mark Cothorn, Dennis, Robert Wasilewski, James Wasilewski, Mrs. Doris French, Pat Johnson, John Morioka (hidden from camera view) and assistant scout leader.

(Photo by Homer Cothorn)

Troop 821 Receives U.S. Flag

BELLEVILLE--The newly formed Boy Scout Troop No. 821, sponsored by the Haggerty Road Elementary School's Parents Club, held its first Court of Honor on Tuesday, April 21. Scoutmaster Keith W. Bowles officiated.

An American Flag was presented to the Scout troop by the John M. Wahl Corps chapter of the Women's Relief Corps. Mrs. Ruth Ann Knysz, Corps' president; and other officials were present.

Mrs. Doris French, of the Corps, escorted by Color Bearer Mrs. Irma Colley, presented in a very moving ceremony, the flag to three representatives of the Scout troop: Pat Johnson, John Morioka and Reese Cothorn.

THE THREE Scouts, flanked by Scout Color Guards Dennis Akins, John Wasilewski, Michael Cothorn and Robert Wasilewski, tied the flag to their empty staff.

The flag was then dedicated by Mrs. Ruth Ann Knysz. Reese Cothorn gave the acceptance speech.

The Pledge of Allegiance was then said by everyone and all marched out. A Red Skelton record entitled "Pledge of Allegiance" was played. A similar record will be given to the Scout troop.

Tenderfoot Badges were submitted by Scoutmaster Bowles to the following Scouts:

Reese Cothorn, John

Jaycees Thanked by Participants

ROMULUS--The Romulus Jaycees would like to thank all who participated in the 50-50 Benefit Drawing for Jim LaFromboise.

The drawing took place at the regular Jaycees' meeting on April 22 (the fourth Tuesday of the month).

The first place winner was Jim Crumpton of 4683 Academy, Dearborn Heights, winning 30 percent of the cash taken. In second place was Douglas Baum of 36885 Goddard Road, winning 15 percent and Jane Czajkowski of 1065 East Huron River Drive, was in third place claiming five percent.

The other 50 percent went to Jim LaFromboise of 38173 Walnut.

Jim has a fine family of five children and has been active in the Little League Football and is a Jaycee member.

He has been seriously ill for the last six months and

Marioka, Dennis Akins, Robert Wasilewski, Dennis Strales, James Prelich, Kevin Patten, Mark Cothorn, Pat Johnson and James Wasilewski. Patrol leaders were then named.

"To" raise funds, the troop recently held a pop bottle drive. Next month's activities include a camp-out. Being a new troop, the members are in need of camping equipment, it was stated.

Hits Drug Proposal

Romulus--The Romulus Township Board of Trustees approved a formal resolution April 21 calling upon Michigan legislators to vote negatively on pending legislation that attempts to legalize the sale of marijuana and lessening penalties for its sale and possession.

The trustees directed that a copy of their resolution be forwarded to State Representative Edward J. Mahalak and State Senator William Faust.

The action by Romulus Township government is patterned after adjacent communities that are also asking for a negative vote on the part of state legislators.

Romulus Senior High Lists Third Period Honor Roll

ROMULUS--The teaching staff at Romulus Senior High School has announced the names of the students listed on the high school's Honor Roll for the Third Marking Period. They are as follows:

Ninth Grade

* Denotes all A's.

Reunion Members Sought

BELLEVILLE--A reunion of the 1959 graduation class of Belleville High School is being planned for June 21 at 8 p.m., at the P.N.A. Hall, located at Harris and Sumpter Roads.

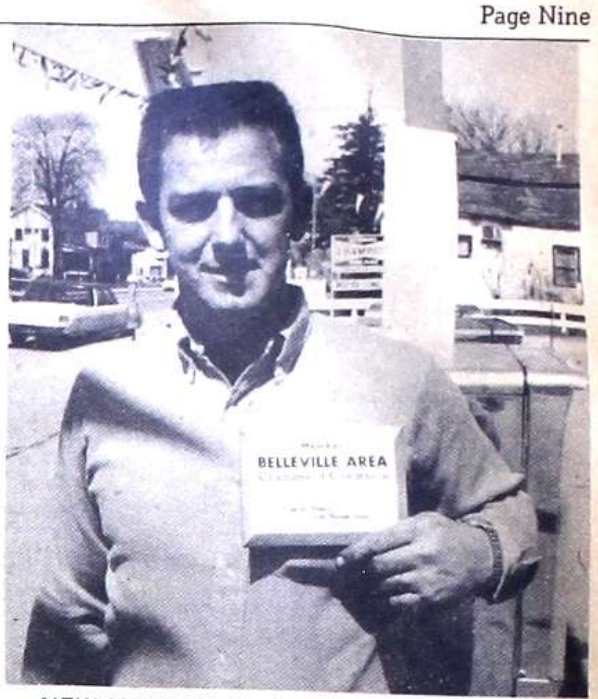

Efforts to locate all of the 165 class members have not been too successful to class reunion planners, Clarence Horton chairman of the program activities reported. The following class members are sought:

Cynthia Sokolowski,

Margie Tackett, Gary Tate, Richard Thomas, Danny Wallen, Joyce Watkins, Gerald Wellwood and Helen Wortley.

Miriam Allen, James Allen, Robert Bell, Betty Clark, Wilma Collins, Robert Gorby, Pat Gossett, Harriet Hall, Judy Holbrook and Carl Layne.

Gail Lokuta, Stanley Mixon, Tim Moore, Bonnie McMurray, Barbara Price, Harvey Rees, William Sauer, Richard M. Smith.

NEW MEMBER--William Porter Collins, the new operator of the Sinclair Service Station, located at Third and Main Streets, has not only opened up his new business operations at the station but made sure that his affiliation with the Belleville Area Chamber of Commerce is known to all community residents who request service and equipment at Main Street's newest service station operator.

Wahl Corps Holds Annual Inspection; Add Members

BELLEVILLE--The first inspection of the John M. Wahl Corps No. 87 of the Womens Relief Corps was held on Monday April 21, at 8 p.m. at the I.O.O.F. Hall. A social coffee hour was held prior to the meeting.

Three distinguished members of the WRC were present: Mrs. Lillian Katz, of Lincoln Park, Past National Executive Board Member; Mrs. Gloria Kroll of Taylor, present Department Executive Board Member; and Mrs. Helen McElhenie of Taylor, Department Junior Girl's Director. Mrs. Kroll was the inspecting officer, and was quite pleased with the way the John M. Wahl Corps has grown in both members and stature in a little over a year of it's being organized.

Seven new members were initiated by the Corps, during the month of March. This class of candidates was named in honor of Mrs. Anne Atkins who is a Past National

President and Treasurer of the Womens Relief Corps, and was "instrumental" in starting the John M. Wahl Corps in Belleville. She was also very proud of the progress made by the Corps.

THE NEW members who joined in the last month are as follows: Mrs. Viola M. Avery, Belleville; Mrs. Sylvia J. Baudlin, Mrs. Alice Harvey, Mrs. Betty Jechna, and Mrs. Margaret Gilbert, all of Romulus; Mrs. Maude Emens and Miss Priscilla Barescheer, both of Westland.

Several more prospects are thinking of joining, and the next class of candidates will be named in Honor of Mrs. Lillian Katz, who has put a lot of time and effort in helping the John M. Wahl Corps. Since the institution of the corps, she has served very faithfully in time, effort, and money. The Corps certainly owes her a debt of gratitude they will never be able to repay.

The John M. Wahl Corps, still conducts a Bingo party each month, for the benefit of the patients at Woody's Rest Home in Romulus. If there are any people who have small items, such as jewelry, handkerchiefs, small bottles of perfume, etc, they are not using, or anything these patients can use, they would welcome them, to use as prizes for the Bingo games.

Also, anyone who wishes to go along, and help entertain, and visit with the patients, is more than welcome to go along with the Corps members the next time they go which will probably be the first part of May. Call OX-7-7396 Mrs. Caswell, Hosp. Chairman.

The Corps recently received a request from the newly formed Boy Scout troop at Haggerty School, for a flag to be used by the troop, and a flag was purchased and presented by the Corps President, Mrs. Ruth Ann Knysz, at a Court of Honor on Tuesday April 22.

THE CORPS has been trying to get about 30 Red Skelton recordings of the "Pledge of Allegiance" to present one to each school in Belleville and Romulus.

The Corps feels that if children are taught Patriotism while they are yet in school, maybe they will grow to just naturally love this, the most wonderful country on earth!

A Linen Games party is planned at the V.F.W. Hall, in Romulus, by the Corps members, and it will be Tuesday May 6, 8 p.m. All are invited to attend. The usual beautiful hand crocheted percale pillowcases will be awarded to the lucky winners.

There also will be towels, sheets and blankets with lots of door prizes. The public is invited to help support the Corps' work.

Area Obituaries

WEBB, Lucille Eunice of 10939 Oelke Road, Maybee, Mich., formerly of Belleville, died in Emma Bixby Hospital, Adrian, Mich., on April 27. She was born in South Dakota on Aug. 15, 1897.

Mrs. Webb was a retired school teacher from Van Buren Consolidated Schools.

Funeral services will be held today, Wednesday, April 30 at 2 p.m., from Roberts Bros. Funeral Home. Rev. Herbert Fehner officiated. Burial was in Washtenong Memorial Park, Ann Arbor.

She is survived by the following children: Mrs. (Loyd) Ivy Syde of Maybee; Miss Winifred Webb of Monroe, Mich.; Mrs. (Howard) Eunice Close of Clayton, Mich.; Mrs. (William) Helen Sawyer of Monroe, Mich.; Frederick Webb of Tacoma,

Washington; Mrs. (Coy) Joyce Harmon of Brentwood, Missouri; Mrs. (Roy) Maxine Adams of Belleville; Mrs. (William) Emily Turner of Monroe, Mich.; and Merle Webb of Wayne, Mich.

FAEGER, Peter of 15985 Elwell Road, died April 22 in his home after a long illness. He was born on Nov. 11, 1889.

Funeral services were held in Detroit. Burial was in Evergreen Cemetery.

Mr. Faeger is survived by his wife, Helen; daughter, Mrs. Leo (Virginia) Turney and four grandchildren: Gene, Dean, Donald and Wendy Turney.

Also surviving are two brothers Glenn and Donald Leverett and one sister (Robert) Florence Hodge.

ENTERTAIN LIONS--Members of the Choral Group at Belleville High School were not only honored guests at the April 23 meeting of the Belleville Area Lions Club but also presented an interesting program of entertainment. The group sang under the director of Keith Drayton.

House Bill Will Broaden Aid to Veteran Children

The state's system of tuition-free education for children of servicemen killed or totally disabled in wartime would be broadened by a bill introduced in the House of Representatives by State Representative Edward E. Mahalak, (D)-Romulus.

The children are allowed to attend any state-supported college or secondary school without payment of tuition, matriculation fee or athletic fee.

The educational benefits are limited to children of Michigan servicemen.

The Mahalak proposal would expand the present law to include not only persons whose legal residence immediately before they went into the service was Michigan, but also persons who did not live here before military service but established legal residence

here afterwards for at least five years.

THE BILL would however, exclude disabled servicemen from Michigan who leave the state for two years or more after military service.

"There are probably quite a few disabled veterans who did not enter the service from Michigan, but who since have been residents of this state for a number of years," Mahalak said, "I see no reason why their children should be denied these educational benefits. The need is there. Their fathers have sacrificed greatly for their country."

He added, "The cost of this will not be a great deal."

William Stroud Sent to Vietnam

NEW BOSTON--Army Sergeant William T. Stroud, 20, son of Mr. and Mrs. William E. Stroud, 22308 Bell Road, was assigned April 1 to the 1st Cavalry, Americal Division in Vietnam.

Sergeant Stroud is a tank commander in Troop C of the cavalry's 1st Squadron near Chu Lai.

Thrift Shop Gives Report

ROMULUS--The Helping Hand Gift Shop, operating from the basement of the Special Services Building, located at 7335 Washington Street, distributed over 2,500 articles of clothing free of charge to the needy in the Romulus area since September, Mrs. Frances Klein, shop official, reported.

The clothing is not given away indiscriminately but only upon receipt of a referral card from the school of public health nurse, principals, federal coordinator, Neighborhood Action Center or other authorized personnel, Mrs. Klein stated.

If you know anyone in need of this assistance you are asked to refer them to one of the groups listed above.

The Helping Hand Thrift Shop is staffed by the following volunteers:

Mrs. James Blanton, Mrs. William Pritula, Mrs. Ernest Davis, Mrs. Mable Moore, Mrs. Maude Malone and Mrs. Anthony Klein.

Persons, who may be interested in assisting the volunteers with this charitable project are asked to contact one of the following persons listed below for further information:

Mt. Pleasant School, Katherine Pritula at 941-3036.

Cory School, June Blanton at PA 2-3877.

Van Buren's PCHA Tax Levy Set

BELLEVILLE--The Peoples Community Hospital Authority reported to the Van Buren Township Board last week that the township's assessment toward the operation of the 23-member Hospital authority for the 1969 year is \$18,698.

The assessment is to be paid before March 31, 1970. The township as well as other community members assess a four-tenths of a mill against taxpayers for payment of their assessment.

Walter Hink, board member, asked what the people of Van Buren Township received for its PCHA tax levy.

He was told that residents of the township received a 20 percent reduction in their hospital bills.

LISTS CONTACTS

Beverly School, Katherine Braxton at PA 1-3138.

Gordonier School, Ruth Johnson at 722-3881.

Van Buren Township Board Minutes

Minutes of
March 25, 1969

The meeting opened with the Pledge of Allegiance to the Flag and was called to order at 8:00 p.m. by Supervisor Stoelton. Board members present were: Stoelton, Hogan, Birk, Hink, Maton, Domcik and Payne. Also present were nine citizens and D.J. Brown. Attorney Hopson had previously stated he would be unable to attend.

A motion by Domcik, supported by Hink, to approve the March 11 Board Minutes, as well as the March 17 Minutes of a Special Meeting, as presented. Carried unanimously.

Correspondences were read and acknowledged as follows:

A letter was received from the Belleville Area Human Relations Council asking that we designate April 5th as National Tag Day in honor of Dr. Martin Luther King.

A motion by Hogan, supported by Domcik, that the Van Buren Development Company sand removal permit be renewed for one year. Carried unanimously.

In order that all meetings are covered, payroll made out, etc., in the absence of the township Treasurer, a motion was made by Hink, supported by Hogan, that Dorothy York be appointed Deputy Treasurer and that she be sworn into office. Carried unanimously.

A motion by Hogan, supported by Hink, that the dog warden join the Association of Animal Control Officers. Carried unanimously. A letter had been received from the Kalamazoo County Dog Warden inviting our township dog warden to join at a \$10.00 annual fee.

Motion by Domcik, supported by Birk, giving the fire department the right to interchange the use of fire hydrants in neighboring communities. Carried unanimously.

A motion by Maton, supported by Birk, that the Church of Christ on E. Huron River Dr. be granted a building fee waiver. Carried unanimously.

Motion by Domcik, supported by Hink, that the kennel licenses of Yubon Kennels on Sheldon Road and E.L. Mimms on Savage Road be renewed. Carried unanimously.

A motion by Hink, supported by Birk that the General Fund and Water Dept. Budgets be accepted as presented. Carried unanimously.

A motion by Maton, supported by Hink, that the eleven-month audit report submitted by Schiff and Levy be accepted as presented. Carried unanimously.

A motion by Payne, supported by Hink, that the Fire Department No. 2 report be accepted as presented. Carried unanimously.

Motion by Domcik, supported by Hogan, that the bills be paid as per vouchers. Carried unanimously.

A motion was made, supported and carried, the meeting adjourned at 9:00 p.m.

Erma J. Payne, Clerk
Van Buren Township
ACCEPTED as presented
DATE: 4/8/69

Regular Meeting
April 8, 1969
Supervisor Stoelton called the meeting to order at 8:00 p.m.

Board members present were Stoelton, Hogan, Birk, Hink, Maton, Domcik, Attorney Hopson, in the absence of Clerk Payne Deputy Clerk Imogene Pence, and Steve Shell of Morris Levine and Associates. Also 6 citizens.

Moved by Domcik, supported by Hink to approve the March 25 Board minutes as presented. Carried unanimously.

Correspondence from Shelton Wagner of Quality Construction was read, concerning the intent of them to grant an easement of 2 acres of land in the NW corner of Van Buren Estates for recreational purposes. Mr. Cheldon and Mr. Warring explained the proposed project of 571 homes in two subdivisions which will sell for \$25,000 and up which would upgrade the area. Mr. Steve Shell of Morris Levine discussed sewer and water is now being installed in the area. There is a natural drain in the area which the builders will have to install a 60" pipe to divert the normal flow of water to the lake. Final approval of drainage system is up to the Wayne County Drain Commission.

Mr. Stoelton explained the state law pertaining to Land Plats. Motion by Hink, supported by Domcik to approve this plot plan subject to approval of the other commissions and in agreement with our engineers. Carried unanimously.

A letter was read from the District Court pertaining to the Van Buren Townships share of 25% of the revised budget will be \$2,037.62 per month. Motion by Hink, supported by Domcik to pay our share as per agreement. Carried unanimously.

A letter was read from the City of Westland announcing a meeting on Equalization and Taxation to be held April 15 in Westland. Mr. Stoelton is to speak at this meeting on the townships proposed tax factor.

A letter from Peoples Community Hospital was read setting our cost for the year 1969 at \$18,698.86 to be paid before March 31, 1970. Mr. Hink questioned what the people received from P.C.H.A. and it was explained that members hospital bills were reduced 20%. He asked if we could get out of P.C.H.A. and it was explained we are trying but without much success as it had been voted in years ago and the debt is ours.

Bids for two new cars were read. The color as decided should stay blue for police. Bids will be accepted at the Township Hall after specifications are published.

Motion by Hink, supported by Birk to repair the brown township car. Carried unanimously.

Leo Stein's request for a mobile trailer with a watchman living in it at the construction site of the nursing home was referred to the Board of Appeals.

Motion by Maton, supported by Domcik to accept the fee schedule as presented by the Building Inspector Stanley Price. Carried unanimously.

Supervisor Stoelton reviewed the action of the Water Board.

The Dog Warden's monthly and yearly reports were read. Trustees agreed to meet with the Dog Warden Saturday, April 12 to review the Dog Ordinance and discuss the Townships growing problem with stray dogs.

Fire Chief Hogan read reports of Fire Departments 1 and 2 with a combined payroll of \$7,816.00. Reports accepted.

Building Department report read and accepted.

Trustee Hink introduced from the audience Mr. Fred Cambell of Cambell Construction, who as a member of the Van Buren Industrial Committee wanted to go on record, that when he

was asked a couple years ago if he would build a model industrial building on Van Born Road he stated he would if the park was serviced by sewer and water. If a trailer park is permitted to service this building it would be at the extreme end of the township. But he felt an industrial park location would be more logical nearer the expressway. He stated, "I, as a citizen, was not sponsoring a trailer park in the area."

Motion duly made and seconded meeting adjourned at 10:15 p.m.
Imogene Pence, Deputy Clerk
Van Buren Township
Accepted as presented
Dated: 4/22/69

Resigns

ROMULUS--Mrs. Carman Edwards, secretary in the office of Romulus Township supervisor has resigned.

In her letter of resignation to the Township Board, Mrs. Edwards, a township employee for the past 10 months, stated that she was leaving to accept a deputy clerk position in the City of Allen Park where she resides.

She lives at 15236 McLain, Allen Park.

Romulus Students At Meet

ROMULUS--The Future Homemakers of America Association held their twenty-third annual State Meeting at Western Michigan University, on April 24, and 25.

The two-day session will include songs, speakers, and meeting new friends, along with other informative activities for chapter delegates and Regional officers to relate back to their own chapters.

The highlights for these

Receives 32nd Degree
Francis B. Crisman of 17468 Willow Grove, Romulus was among a class of 400 to receive the 32nd Degree in Scottish Rite of Freemasonry over the weekend at the Masonic Temple in Detroit. Globe Trotting Gerald L. Bisbee, Minister of the First Methodist Church of West Chicago, Ill., was the speaker at the 32nd Degree Banquet in the Fountain Ballroom Saturday evening attended by more than 1,500 Masons.

two days included three programs: the installation of the newly elected State officers, a luncheon, and the State Degree Presentation. During the program, Joanne Stephens, a student of Romulus High School, was awarded the State Degree, the highest achievement given to an F.H.A'er.

Other students who attended the meeting are, Linda Grabowski, Sherri Sips, Jennifer Jones, Evie Jones, Jean Horne, Janet Popich, and Karen Opatkiewicz.

Local Swimmers At Meet

BELLEVILLE -- On April 19th and 20th The Michigan A.A.U. held a Junior Olympics Age Group Swimming And Diving Championship Meet at Oakland University, on April 19-20.

These local boys participated in the 13-14 age group:

Eric Rice and Barry Susterka finished 12th and 13th respectively in the diving competition and Brad Susterka, twin brother to the diver, won the silver medal (second place) in the 200-yard-free style. The three boys all entered unattached.

It was also stated that the medalists would have a chance to compete in the National Junior Olympics to be held sometime in September.

ROMULUS--Private Ronald J. Eastridge, 20, son of Mrs. Ina L. Eastridge, 36858 Chase Street has completed an 11-week welding course at the Army Ordnance Center and School, Aberdeen Proving Ground, Md., March 11.

Pvt. Eastridge was trained in oxyacetylene, arc and metal inert gas welding.

He entered the Army in September, 1968 and was last stationed at Ft. Polk, La.

Romulus--A retainer contract with the law firm of Elmsman, Young & O'Rourke as township attorneys was approved by the Township Board at their April 21 session. The contract covers the 1969-70 year.

Motion to retain the law firm was made by Trustee Jimmie Raspberry and supported by Trustee Ellis T. Pennington.

CLASS DATES SET

Safe Boating Course Announced by Sheriff

All young people between the ages of 12 and 16 who have not attended a course in safe boating and are desirous of doing so will have this opportunity. Roman S. Gribbs, Wayne County Sheriff, announces.

The Marine Safety Division of the Wayne County Sheriff's Department reported that classes will begin May 5, 1969 and will be held at the patrol and investigation headquarters, 3100 Henry Ruff Road, Westland.

In order to operate a motor over six horsepower without adult supervision, the State of Michigan laws require attendance at a safe boating course and a certificate of completion.

CLASSES WILL be held Monday evening, May 5, 12, and 19, from 7 until 9 P.M. All persons completing the

six hour course and passing the examination will receive a safe boating certificate to carry on their person while operating a boat, as required by Michigan State Laws.

To enroll in THIS COURSE, CALL PRIOR TO MAY 2, between the hours of 8:30 A.M. and 4:30 P.M., Marine Safety Division-721-1300.

Insurance Reminder

Michigan veterans holding government life insurance policies should pay the premiums by the due dates whenever possible. Robert M. Fitzgerald, manager of the Detroit Veterans Administration Regional Office, said today.

He reminded them, however, that even though their premium payment is late their policy remains in force for a 31-day grace period following the premium due date.

BatonCorps Issues Plea To Community for Aid

BELLEVILLE--A plea for assistance and support in providing better recreational activities for Belleville's "young misses" was made in an Open Letter to the Citizens of Belleville. The communication follows:

"Citizens of Belleville:

I wonder if you realize the situation the young ladies of the Belleville area are in.

What is there for recreation for them? Nothing! The age group from 6 to 12 has absolutely nothing going for them. Sure they're Brownies and Girl Scouts, but to compare their activities to those of the Cub Scouts and Boy Scouts of this area would really be

something funny to chuckle about.

There no longer is a show in town and most of them are too young to attend the high school or junior high activities.

I am doing my part by trying to keep the "SO-FISS-TEE-CATS & KITTENS BATON CORPS" going. The group numbers 40 girls now and is growing steadily.

The Cub Scouts and Boy Scouts can always manage outside assistance, then why can't we? We too would like an American Flag for presenting in the parades we

attend but our funds are limited to what the parents can afford to donate.

At the rate we are going it will be another year before we raise enough money to be able to purchase flag and carrier and uniforms.

We are asking for help from anyone who would like to pitch in. I assure you your support will be put to good use.

These girls work hard and most of all enjoy what they are doing. Please help me to help them.

Anyone wanting more information can contact me at OX-7725 Mrs. Penny Davis Pearson.

Is Your Power Mower Ready?

This modern suburban husband will find operating his electric lawn mower not only faster this year but safer: he has read his use and instruction manual and performed the few tasks necessary for springtime "get ready."

Power mower, either gasoline or electric, require close attention to cleanliness if they are to give top performance. Sunbeam engineers, designers of both types, say in their manual. Gasoline engines should be drained, wiped dry, and refilled with fresh fuel at season's start and occasionally during the long summer.

The spark plugs should be checked occasionally and crank case oil should be drained before the season and at least once during the summer.

Homemakers are warned to keep gas in UL approved red can, in fixed places beyond children's reach. Can should be securely covered to prevent fumes from spreading and stored outside of the home, away from the furnace, water heater, etc.

Electric motors require no attention beyond a few drops of oil, checking brushes, cord and connector plug.

Employment Program is Announced

SUMPTER--The Sumpter Neighborhood Action Center has begun distributing applications for "Operation Summertime," the summer youth employment program.

This program is administered through the Wayne County Office of Economic Opportunity with the hope of enabling up to 35 youths of Sumpter Township to participate in the six week program, beginning July 1, 1969.

Close to 16,000 Americans die from emphysema each year.

Police Chiefs To See Use of Helicopters

DETROIT--Wayne County Sheriff Roman S. Gribbs has announced that a helicopter manufacturer will give a presentation and demonstration of the use of helicopters in law enforcement immediately after the regular meeting of the Wayne County Chiefs of Police Association to be held on Tuesday, May 29.

The helicopter will be based at the Sheriff's Road Patrol and Investigation Division Headquarters located at 3100 Henry Ruff Road, Westland.

All Wayne County Chiefs of Police have been invited to take a demonstration ride. The press is invited to attend the demonstration beginning at 2 P.M.

Plymouth Scores Most Points in Three Tests

A Plymouth Fury I scored the highest number of points of all 60 cars that competed in fuel economy, acceleration and braking tests of the Union/Pure Oil Performance Trials at Daytona Beach, Fla.

The Plymouth Fury, competing in Class V for cars equipped with standard V-8 engines, scored a total of 98 performance points out of a possible 100.

Two other Plymouth entries finished first in their respective classes, giving the Plymouth line of cars winners in three out of the nine classes of competition.

(Continued below)

Other Plymouth winners were a Valiant Signet in Class VII for six-cylinder compact economy cars, and a Barracuda in Class IX for sports compacts.

The Union/Pure Oil Performance Trials, held under the supervision of the National Association for Stock Car Racing, compared the basic performance characteristics of American-made 1969 models which are in the popular price ranges.

The fuel economy tests measured a car's fuel consumption at an average speed of 40 miles per hour over a distance of 18.67 miles.

The acceleration tests measured the time it took a car to accelerate from 25 to 70 miles per hour.

The braking tests demonstrated the car's high-speed stopping capability immediately after severe brake usage.

The 60 stock cars competing in the tests were taken directly from dealers' showrooms throughout the country to provide a realistic comparison of various makes and models.

Wagon Air Deflector

The 1969 Plymouth Fury station wagon models have a new and efficient air deflector, mounted at the rear of the roof to divert air around and across the big rear window, significantly reducing vision obstruction.

A JIM AND A GEM--With "Diamond Jimmy" Durante at the wheel, Ford Motor Company's 75,000,000th vehicle rolls off the line at the Dearborn Assembly Plant. The blue "Diamond Jubilee" Mustang convertible was designated the 75,000,000 car or truck built in the United States by Ford since the first hand-built Model A was assembled in a converted wagon factory on Mack Avenue in Detroit. Durante, who was 10 years old when the first Ford was built, is in the Motor City area for a night club appearance.

Easter Seal Summer Day Camp Dates Announced

INKSTER--Preliminary announcements are in the mail concerning the summer Day Camp for Crippled Children to be held at the Easter Seal Center in Inkster, near Michigan and Middlebelt.

The dates are June 23 through August 15, eight weeks of out-of-door fun for physically handicapped boys and girls from four year olds to teenagers.

The special Teen-age Camp is scheduled for the last two weeks of the season, August 4 through August 15.

GEORGE WINFIELD, a teacher in the Wyandotte Public Schools, has been appointed Director of the summer program. With the assistance of the full-time occupational therapist on the staff of the Easter Seal Society of Western Wayne County, Miss Judith Ann Berdis, Winfield will recruit, train and supervise teen-age volunteers interested in serving as camp aides and junior counselors.

The medical report forms required by the State of Michigan for staff as well as for campers will be mailed to

both groups when preliminary registration forms are received.

Van Buren's New Water, Sewer Plans Progressing

BELLEVILLE--Van Buren's new \$3,000,000 water and sewer program moved closer to construction start last week when township officials, bonding consultants and engineers met to prepare a prospectus essential to sale of bonds to finance the project.

Edward C. Stoelton, Van Buren Township supervisor, reported after the meeting that prospectus when completed will be available to bond buyers.

He added that the township's bonding consultants expressed satisfaction as to the township's need for the new

water and sewer program and the anticipated future growth and development of the township to support the proposed project.

Several state and county agencies will have to approve the bond program, including Michigan Finance Commission, and a public hearing held prior to actual construction start is scheduled tentatively for February or March, 1970.

The Louisiana Court of Appeals has ruled that a school teacher must wear a necktie while on the job if his superiors require it.

Announcing a special new Plymouth.

At a special price.

Everyone says special, but we really mean it. Snapper's a new limited edition car like Plymouth has never made before. It'll shield you from weather's whims under a groovy turtle-shell vinyl top and carry you in a metallic muted-gold body. It has a "camp" Snapper emblem, like the one in the middle, on each roof pillar. An extended roofline that lets your rear seat passengers actually lean back (over 3" extra head room). And, of

course, many of the "special" features that most people want: deluxe vinyl interior, white sidewalls, deluxe wheel covers, bumper guards, and a kicky little time-delay ignition switch light, all at a special package price (again, we really mean special). Naturally, you can personalize a Snapper even more, with everything from a Super Commando 440 V-8 to air conditioning or 8-track stereo; just ask your dealer. As a limited edition model with

your own personal options, Snapper is a truly individual vehicle. See one now, at your Plymouth Dealer.

2,000 Teams of Students Competing in Plymouth's Trouble Shooting Contest

Teams of student mechanics from more than 2,000 high schools and colleges in every state of the Union will compete for \$125,000 worth of prizes in the 21st annual Plymouth Trouble Shooting Contest.

The contest is sponsored by the Chrysler-Plymouth Division of Chrysler Motors Corporation and Plymouth Dealers of America to encourage students with mechanical talent to continue their education and pursue careers in the growing automotive service business.

(Continued below)

The winning two-man team at each of the 100 regional and state contests being held this spring will compete for \$125,000 worth of scholarships, prizes, trophies and automotive equipment for their schools at the National Finals at the Indianapolis 500 Speedway in mid-June.

Winners at local and national contests are chosen by the speed and skill with which they find and fix malfunctions under the hood of a new Plymouth and restore the car to normal operating condition. All teams work on identical cars that have been deliberately tampered with in the same way.

Plymouth Dealers sponsor a two-man team from their local school and make a Plymouth car available to practice on. The teams from the 2,000 participating schools, which have a combined enrollment of 150,000 students taking automotive shop courses, are selected by school instructors.

The Plymouth Trouble Shooting Contest originated in Los Angeles in 1949. It was sponsored by Plymouth Dealers there who sought to recruit young men as mechanic trainees.

Since the contest became national in scope in 1962, scholarships have been awarded to 116 students and full or part-time jobs have been found for more than 15,000 young men.

Flyers Reap Wrath of Eagles

Nothing like walloping the team which robbed yours of a full share of a title. And that's what Romulus' Eagles did last week—they walloped Willow Run 20-1 to avenge a 6-5 defeat in last year's finale which jammed Coach Lowell Johnson's team into a two-game tie with Ecorse.

"If we hit the way we did against Willow Run, and if our pitching keeps up," said the Romulus coach, "then someone is really going to have to play ball to beat us." "Our boys are coming around faster than I expected," he said. "And no coach can complain when his

team plays the way we did in that league opener."

Rick Paglia, who aided his own cause with a single and double and a pair of RBI's, won his opening league game, limiting the Flyers to three hits. He worked until the sixth and gave way to Lee

Ballard who struck out the side in the seventh.

Paglia notched five strikeouts and walked three.

Romulus' 13-hit production was led by Leon Jones who batted 2-for-4, including a sixth inning bases-loaded triple, and Ray

Horn, who also accounted for two runs batted in for his 2 for 4 day at the plate.

Bill Childers, the victim, who also had the pleasure of knocking off the Eagles in that last game of '68, took his worst defeat. He stood it for six innings before help was

summoned in the way of a reliever.

Although Willow Run lost to Ecorse 1-0, and to Hamtramck 2-0, Coach Johnson isn't using these games as criteria of good things to come for his squad.

He still feels that the road to the title is a long, rough

ride and anyone can be bumped off into oblivion.

"It's going to be a tight race," said Lowell. "No one team is going to emerge from it with an undefeated record, you can be sure of that. We just have to brace ourselves for almost anything and everything."

Ecorse, the co-champs, is next on the league agenda for the Eagles who were to play Hamtramck on Monday and Belleville on Tuesday. The Raiders are hosts to the Eagles tomorrow (Thurs., May 1) and the outcome of the game could decide who has what in the conference.

THE SPORTS MERIDIAN

By Tom Mooradian

Playing By the Rules

There's something constant about rules and rule books—they're apt to change as soon as you think you've learned them. And speaking of rules, I betcha you haven't noticed that the same rules are interpreted differently by different age groups.

The player sees a rule one way, the coach another, and the ump another—I'll betcha.

And tell a group of children they have to be in bed by 11 p.m. and one will interpret that to be 11:30, another before 11, and still another exactly at 11.

What brings up rules this week? Well, we were discussing them one particular one with Wayne baseball coach Gary Green and I couldn't come up with the answer.

Neither could several of Green's cohorts. And that's not because they haven't done their homework—it's because rules change as rapidly as they are made.

Nothing, these days, appears to be dogmatic. And I don't know if that's good or bad.

Take baseball, for example. Several years ago if you dared say baseball WASN'T our national pastime, you'd be beamed with a fast-ball.

But here's this Harris guy of the Harris Survey coming out in cold print and saying, "Football has replaced baseball as the favorite American sport."

Don't know about that—but he has the stats to back him up. So he must be right, right Mr. Truman?

And, after all, baseball is pretty old. It's as old as Wayne. They're both celebrating their Centennials, aren't they Mr. Lentine? And when you get that old rigamarole is bound to set in.

Wait till football gets to be 100 years old. Let's see if it will be able to stand the metamorphosis. (And let's see how many smartalecks will write in and say that the pigskin has already celebrated its Centennial!)

Anyway, let's get back to what Green asked me.

He said, the other day his team and Edsel Ford were playing and he decided to replace starting pitcher Bob Patrick in the fourth with the score tied at 2-all. Green added that Patrick had worked up a count of 3-0 on Edsel's Frank Pantoni when he decided to replace him for Dave Hall. Hall proceeded to walk the T-Bird catcher and eventually he scored the tie-breaking and what could be considered the winning run in a 4-2 Wayne defeat.

Who, then, should be charged with the loss? Patrick, who left the game with the score tied at 2-2 and who handed over the pitching job to Hall with a 3-0 count on Pantoni, or Hall, who walked Pantoni?

Told the Wayne coach I didn't know the answer. Nor, according to Gary, did my counterpart at a metropolitan newspaper.

So, like the poor farmer in "Acres of Diamonds," I traveled via my telephone to several sources and didn't come up with an answer.

By any chance, YOU wouldn't have the answer, would you?

Play On Words

Gotta admire Glenn head baseball coach Norm Hoenes, even if it's frustrating for me. Last year about this time, Norm was as talkative about his team as a coach who just won the World Series.

One of the statements of a year ago, however, stuck in his throat. He said, "Our boys are hitting well." And you guessed it he regretted it the rest of the season.

Norm, like the Tigers of today, couldn't buy a .300 hitter in '68.

This year he's as careful with the words as he is with his team. And that can be frustrating for a sportswriter, as anyone in our profession will tell you—we need words to live by.

But he's just satisfied with the hits and the runs and the victories.

Speaking of victories, the other day when Glenn met Franklin (and won) the kids probably didn't know that the two coaches once played for the same team.

Yep, Norm caught, while Ron Hellier pitched for Olivet College in 1959.

Nope, Norm didn't want to comment on that either—apparently he feared the second time around wouldn't be as sweet as the first against his ole pitching mate.

THE WAITING GAME—Romulus first baseman Tom Block keeps Robichaud's Johnny Ray close to the bag in a game which ended in an Eagle defeat. But things were completely different in the league opener as Block accounted for three RBI's in a 20-1 victory over league rival Willow Run. Ecorse, the defending co-champs, is next for the Eagles who'll travel to the downriver school for their third Twin Valley Conference test.

Huron's Losing Streak at 5

Huron is getting more hits these days, but scoring less.

And, because of the scoring, Huron dropped two more league games last week and finds itself in the cellar of the newly-created conference with an embarrassing 0-5 record.

Monroe Catholic Central scored four times in the fifth after a two-run third to whip the Huron 6-2 and handed pitcher Ron Edmonds his second personal defeat of the year.

Earlier in the week, Flat Rock shut out the Chiefs 3-0 and Jim Inman, despite his four-hitter, sustained his third personal setback of the current campaign.

"We're hitting them," said Huron coach Ron Smith, "but unfortunately not at the right time. We loaded the bases in the fourth against Monroe, but failed to score in that inning."

"I feel we do have the talent to win but we're not getting the breaks," he said.

In the Monroe game, both teams had eight hits but Huron had two costly errors. Edmonds walked three while striking out five. Reliever Lennie Bonk got credit for the victory.

Huron scored in the opening inning on a walk to Al Michling, and Inman and Doug Hicks' singles. After Catholic Central tied it up and went ahead 2-1 in the fourth, the Chiefs scored the equalizer in the fifth on Hicks' double with Inman aboard.

Hicks wound up with both runs batted in and had 2 for 3 while Michling, who's batting .500 in the league, collected two singles and two walks for the day.

Edmonds, Don Delano, Killingbeck and Dulecki accounted for the four other Huron hits.

In the 3-0 shutout, Inman went the distance but walked seven which led to his downfall. He struck out two. Winning pitcher Ken Creaman notched seven strikeouts and allowed no bases on balls.

The Chiefs out-hit their rivals 5-4 with Michling, Suemnick, Hicks, Bob Guntow and Dulecki each rapping singles. Guntow was sidelined after being spiked in the game and Dan Dilks replaced him in the Friday game, coming up with an excellent defensive performance.

Michling, who is hitting at a hefty .368 pace, is leading the team if not the league at the plate. He's been up 18

times in the league and has walked six of those times while hitting safely six other occasions.

Huron has three games on tap—weather permitting—this week. After a Monday night game with Monroe Jefferson, the Chiefs face Grosse Ile today (Wednesday) at Grosse Ile and return home to take on undefeated Northwest Suburban Conference leader, John Glenn on Friday.

Willow Run Helps Romulus End Its Track Frustrations

Romulus and coach Ed Baum took the frustrations of losing to nonleague rivals out of its first Twin-Valley Conference track foe, Willow Run, sweeping 13 of the 14 first places on route to an easy 85-33 victory.

The Eagles now have to find some way to stop that perpetual menace Ecorse in order to dream about the league track crown.

Larry Smith, an All-Area, All-Conference track selection this season, is proving he has multiple talents as a hurdler. The Romulus senior picked up both the highs and the lows in 14.3 and 19.8 times, respectively.

Larry's 19.8 established a new school record for the lows.

Romulus also swept the 100-yard-dash as Ed Thompson led Roy Williams and Warren Bonam across the finish line. The winner posted a 10.5 for his victory.

The Eagles swept all four field events. Nate, "the Moose," Williams hurled the shot 44 feet, 7 inches, and vaulter Dave Brown climbed 11 foot, 6 inches while Tony Johnson and Dennis Greene

led in the high jump at 5 foot, 8 inches.

Bonam soared 21 feet, 6 inches to beat out teammates Greene (21'3 1/2") and Williams (20'6") in the long jump.

Mike Morgan set the pace in the two-mile run as he turned the event in 11:10. The Romulus relay team of John Arrington, Bonam, Williams and Thompson went the 880 in 1:36.

SUA Seeks Umps

The Suburban Umpires' Association is seeking qualified umpires to handle baseball and softball games throughout the area this season.

The meetings will be held at Plymouth High School, located at 110 Plymouth Road. For further information, contact Earl Gray at 453-0477.

Red Wings Sponsor Boys' Hockey Clinic

Red Wing Hockey School, sponsored and conducted solely by the Detroit Hockey Club will hold classes at Olympia Stadium this summer for boys, ages 12 and over.

The clinic is aimed at the advanced student and will consist of three one-week sessions with a select limited enrollment of 24 in each class, said Sid Abel, Red Wing General Manager and Director of the School.

Instructors will all be Red Wing personnel, Abel added. They include Captain Alex Delvecchio, former goaltender and current Assistant General Manager of the hockey club, Baz Bastien, ex-Wing defenseman and present scout, Doug Barkley and other members of the Wing organization. Coach Bill Gadsby will serve as coordinator of the program.

'The school is for boys who are already somewhat accomplished hockey players and would like to learn the fine points of the game,' Abel said.

Huron Trackmen Win 1st

Huron trackmen finally broke the ice—they won their first meet in the newly-created Huron Conference and posted it against one of the established teams—Air Port.

It was the first time one of the new entries in the league has come up with a victory over its older counter-parts. And there was no doubt of the outcome Coach Tom Grange's people swept all 11 of the 14 events en route to a 76-42 decision.

Jeff Reeves and Dave Edge chipped in double wins as Reeves claimed the high hurdles in 19 flat and the lows in 23.2. Edge was the top dashman, winning the 100 and 220.

Randy Clark continued to dominate the quarter-mile run as the Chief senior remained undefeated for the season. He turned a 54.8.

Ed Smith and John Reitz tucked away the long jump and the shot put on 19 feet, 1½ inch and 40 feet, 2½ inch performances and Joe Richert proved to be the best miler. He finished in 5:02.4.

Also contributing a victory was half-miler Steve Ingle who crossed the finish line in 2:16 even.

Coach Grange's relay teams picked up firsts with Edge, Randy Gorham, Bill Roupe and Ed Smith teaming up for a 1:37.7 for the 880, while Rich Tipper, Mark Sheats, Thel Dregansky and

The purpose of the small class size is to insure each boy of close personal contact with the instructors. "With six instructors and only 24 to a class, that's one instructor for every four boys," the general manager said.

The first session will begin Aug. 11 and continue through Aug. 16 for youngsters 12-14 years old; the second will run from Aug. 18-23 for the 15-16 age group; and the third, from Aug. 25-30 for those 17 and over.

Classes will be four hours a day and will consist of drills in skating, stick-handling, offense and defense, goal tending, checking, shooting and passing.

At the end of each session awards will be given to the most improved and the most proficient forwards, defensemen and goaltenders.

Boys interested in applying for the school are asked to call Bill Gray at Olympia or write the Detroit Hockey Club, 5920 Grand River, Detroit, Michigan 48208.

PARNELLI JONES

RACING GREAT—One of the nation's top auto racers, Parnelli Jones, has tossed in his hat to seek the Michigan International Speedway four Hour Wolverine Trans-American road race championship which will be staged on May 11th.

Parnelli Jones Enters MIS Race

DETROIT—Rufus Parnelli Jones, one of the USA's all time auto racing greats, will compete in the May 11th 4 Hour Wolverine Trans-American road race at Michigan International Speedway.

Jones will be one of the drivers of a two-car team of 1969 fastback Mustangs entered and prepared by Bud Moore Engineering of Spartansburg, S.C.

Driver of the other Bud Moore entry will be SCCA road racing champion, and recent winner of the USAC 150 miler at Phoenix International Raceway, George Follmer of Arcadia, California.

Both cars will be 1969 fastback Mustangs equipped with special competition handling packages and full-cage roll bars. Power will be provided by a new

canted-valve version of Ford's 302-cubic-inch engine. Bud Moore Engineering is no stranger to road racing. It campaigned a team of Cougars in 1967, pushing Mustang before settling for second place.

TIRES FAMOUS FOR QUALITY

Pettus Nears State Record

Belleville's Larry Merritt and Garrade Pettus made their assault on state records this week as the two Tiger trackmen came back from the Jackson Parkside Invitation with a pair of first places.

Pettus, a sophomore, leaped 23 feet, 2½ inches to set a new school Parkside record and he's only an inch off the state record in the broad jump.

A versatile athlete who also lettered in football and basketball, Garrade could easily establish a new state mark before the year is out.

Merritt, a junior, earned his first place after reaching the height of 12 foot, 6 inches in the pole vault.

"These boys show great promise," said Tiger coach Marland Howard whose team compiled 18 points and placed fifth among the 12 teams at Jackson. "The way they're going, they'll be setting records all over the place before they finish their prep careers."

Pettus also chipped in a fourth place for the high hurdles as he turned a 15.7 and came in fifth for the low hurdles with a 21.2.

Belleville's mile relay team of Tony Hall, Dave Lorentson, and the Fant brothers—Allen and Mike—also contributed a fifth place. They were timed at 3:35.5.

Mike Fant ran a 2:00.2 for the half-mile which also was good enough for a fifth place.

Earlier in the week, Trenton knocked off the Tigers 68-50 in the Suburban Six Conference. Both teams collected an equal amount (7) of first places but coach Howard's team didn't have the depth to compete with the Trojans.

Pettus emerged as a four-time winner as he swept the high and low hurdles in 15.8 and 20.8, respectively, and came up with the broad jump victory with a 20 foot, 10 inches leap. He also was first in the high jump, soaring 5 foot, 10 inches.

Merritt won his specialty,

going only 11 foot, 6 inches while Mike Fant was declared the winner in the half-mile. He produced a 2:03.7 for the event.

Belleville's mile relay quartet of Bill Vandecar, Lorentson, and the two Fant boys finished ahead of the field with a 3:41.1.

Last night the Tigers found themselves in a duel with Plymouth and on Thursday they'll meet Allen Park in Jaguar territory. Again, on Saturday, Belleville's trackmen are invited to compete in the annual Albion Relays.

Greatest Tiger '9'?

DETROIT—Early returns indicate two of the Tigers' present stars will make strong bids for places on the Greatest Tiger Team.

Al Kaline and Denny McLain were leaders in the balloting of fans attending the Tigers' exhibition games in Lakeland, Florida. Nearly 1,500 votes were cast by the fans there as part of the campaign to pick the all-time all-star Tiger team and Greatest Tiger Ever in connection with Baseball's Centennial Year.

Voting will continue through May and fans are invited to mail ballots to: Greatest Tiger, P.O. Box 300-A, Detroit, Mich. 48232. Any form of ballot will be accepted but fans visiting Tiger Stadium will find an official ballot in the Tiger Stadium scorebook and handy ballot boxes at stadium concessions booths.

Votes should be cast for a player at each position, including righthanded and lefthanded pitcher, plus the one Greatest Tiger Ever.

In the spring training voting, Hank Greenberg was the biggest vote getter, with 931 for the first base position. However, Ty Cobb drew most votes for Greatest Tiger Ever, with 513.

Other major league clubs are selecting teams in similar polls. The winning squads will be announced shortly after June 1 and names turned over to the Baseball Writers Association of America for selection of an All-Time All-Star Team and the Greatest Player of the Century.

Winners will be honored at a gala dinner in connection with the All-Star game in Washington July 22.

CHOLESTEROL-And if you don't believe it, here is Governor William Milliken being introduced to a pile of the pure stuff, by Dr. Michael C. Kozonis, of Pontiac, president of the Michigan Heart Association, which has been campaigning against high cholesterol diets. Birds and animals fed cholesterol suffer artery blockages which cause heart attacks, similar to those suffered by human beings, Dr. Kozonis said. The waxy white, ill smelling cholesterol, which becomes a powder when dried, is made commercially for research. The Governor also issued a proclamation commemorating the 20th Anniversary of the Association, a Michigan United Fund agency, and its 1969 theme, "Eat Sensibly."

To Observe Law Day In Nation Tomorrow

With the enthusiastic support of civic, religious and business groups, local bar associations throughout the state will remind the public of the advantages we enjoy under the rule of law instead of the rule of force.

Included among the many commemorative activities slated for that day is a special joint session of the State Legislature at which State Supreme Court Chief Justice Thomas E. Brennan will speak.

The Honorable William A. Ryan, Speaker of the House of Representatives, and the Honorable Thomas F. Schweigert, President Pro-Tem of the Senate, have invited dignitaries of the bench and bar to the meeting which will be held at the Lansing Civic Center Terrace Room at 12:00 noon.

THIS LAW DAY activity, now in its twelfth year, is an effort of the State Bar of Michigan, with the full cooperation of the many leading organizations of

laymen, to bring to present day Americans a deeper awareness of the true meaning of law--and to enable them to understand more fully the values of our system of liberty under law, in contrast to the denial of human dignity and rights in large areas of the world.

The day has been set aside by Congress and the President as one in which to reflect on our unique heritage of liberty and justice under law. Governor William G. Milliken has proclaimed the day as one on which we should be especially mindful of the advantages we enjoy as Americans.

Gilbert H. Davis, Royal Oak, president of the State Bar, has called for special observance of the day.

"One of the great benefits of Law day," said Davis, "is that it serves as a necessary reminder that the law is not the private responsibility of the lawmakers and the lawyers. Each citizen of our country has a responsibility to serve as a guardian and upholder of the law. For only

if the law is the concern of all can we be assured that it will serve all.

THE KEYNOTE of this year's campaign, echoing Mr. Davis, is: "Justice and equality depend upon the law and you!" Nearly all communications media throughout the state are cooperating to remind the public of the significance of the day. Press, radio and television are being joined in the effort by various forms of outdoor advertising, billboard and electrical displays. Schools, financial institutions and stores in many communities are exhibiting signs and displays to help drive home the message and thereby create a greater appreciation of the American way of life.

Public meetings, luncheons, dinners, court tours, panel discussions will be held in many cities and towns throughout the state to remind citizens of their precious heritage. In the larger cities, elaborate presentations are being arranged in order to cause the Law Day message to linger in the public consciousness.

Tax Workshop Scheduled

Workshops to help teachers become familiar with nature study activities will be held at the Nature Centers of the Huron-Clinton Metropolitan Authority on Saturday, May 10 and May 17.

Ten o'clock is the starting time for the session at Stony Creek Metropolitan Park near Utica and Kensington Metropolitan Park near Milford.

Teachers should register as soon as possible, although

registrations will be continued until 4 p.m. on Friday preceding the workshops. This may be done by calling 685-2417, the Nature Center at Kensington Park (Milford) and 781-4621 for the Nature Center at Stony Creek Metropolitan Park (Washington Exchange).

The topics for the workshops are the same at both Nature Centers. The May 10th workshop is entitled "Reading the Seasonal Landscape", a searching look

into the signs of the Spring season and the indicators of the approaching summer season.

The May 17th workshop's theme is "Nature Is Where You Find It", which points out what to look for in school grounds, neighborhoods and parks and explains how to relate "city nature" to "park nature", with tips on how to incorporate this theme into teaching programs.

The equipment needed includes outdoor clothing to fit the weather conditions, a notebook, hand lens, binoculars, field guides and pocket mirror.

A Metropark Guide map and Nature Study Area brochures are available without charge by calling 961-5865, the HCMA headquarters in Detroit.

PTA Units Attend Meet

ROMULUS--Romulus PTA units were represented in the voting Tuesday, April 22nd, at the State PTA convention held in Flint.

Cory, Romulus Elementary, Mt. Pleasant Elementary and Romulus Area Council representatives were among the 600 delegates who attended.

Resolutions and By Law amendments were argued;

Parks' Nature Centers Set Teacher Workshop

LANSING--A "Review of Recent City Experience with the Local Income Tax" will be the initial topic of discussion at the Michigan Municipal League's WORKSHOP ON THE CITY INCOME TAX to be held at the Capitol Park Hotel in Lansing on Wednesday afternoon, May 7, 1969.

Senior Club Celebrates Birthdays

BELLEVILLE--The Belleville Area Senior Citizens Club's first meeting in May will see the club celebrate with a birthday party for all members who have birthdays in May.

They include Virgil Lockrow May 10; Bill Moser, May 13; Jessie Criss, May 15, Mae Fulton, May 15; Jean Randall, May 16; Reginald Ateyo, May 17; Blanche Ateyo, May 19; Harold Cullin, May 19; Donelda McLaughlin, May 23; Ethel Cullin, May 26; Edward Gordon, May 26.

A wedding anniversary is being celebrated by John and Doneda McLaughlin, May 12.

On the same program, the club will be given the chance to see and hear the Superintendent of the Van Buren Public Schools, Dale Kaulitz, a new member of the community.

New members joining the Belleville Club are George Wells, 254 East Huron River Drive; George Heard, 40223 Robbe Road, Clara Hoag, 149 Libert St.; Elizabeth Leschinsky, 48 East Columbia; Percy and Nellie Parkinson, 169 Second Street; and Pauline Smith, 10720 Ozga Road, Romulus.

The club is continually growing and the members are really enjoying the fellowship and activities.

The club is very appreciative of the local community's help given so that the club can do for itself what needs to be done without outside help, reported Richard Coffelt, director.

Lansing on Wednesday afternoon, May 7, 1969.

Attending this special one-day workshop will be mayors, village presidents, councilmen and other elected and administrative officials from cities and villages throughout Michigan.

Speakers at this initial session starting at 1:30 P.M. will be A. L. Warren, Director, Income Tax Division, City of Detroit; Edward H. Potthoff, Jr., City Manager, City of Saginaw; and Arnold B. Whitney, City Manager, City of Lapeer.

Items of topical interest concerning the local income tax which these officials will discuss include how the tax has been approved by the

electorate; the financial impact of the city income tax; how it can be tied to a reduction in the property tax millage; and why the local income tax is felt to be more equitable than the property tax.

Another feature of the workshop will be the Question and Answer Round Table Sessions, chaired by officials from the eleven Michigan "income tax cities"--Battle Creek, Detroit, Flint, Grand Rapids, Hamtramck, Highland Park, Lansing, Lapeer, Pontiac, Port Huron, and Saginaw--to permit municipal officials to examine the local income tax as it meets the needs of different-sized communities.

Hayti's Spring Fair Set

ROMULUS--The Roaring Twenties will be the theme for Hayti Elementary School's annual spring fair this year, Mrs. Flo Allen, Fair Chairman, announced.

Located between Middlebelt and Merriman at 30155 Beverly Road, Hayti will begin to "Roar" at noon and will continue until 6 p.m.

There will be games and prizes, nothing to cost more than a dime, also movies, cake walk and a General Store (the ladies have been working for weeks handcrafting many of the items to be sold).

YOU WILL find plenty to

eat too, Hayti's famous recipe for Sloppy Joes will be taken out of the safe for the day and there will be hot dogs and chips along with soft drinks. Full meals will be available for those wishing to have dinner, Mrs. Agnes Meyer is dinner chairman.

Proceeds from the event will apply to Hayti's Dental Care program, now in its fifth year, which has served the children wishing to participate in the Hayti attendance area.

More than \$7,000 have been spent in the repair and treatment of teeth with the work done at the Wayne County Health Department.

TALUS Ok's Initial 1990 Land Use Plan

DETROIT--The Administrative Committee of TALUS (Detroit Regional Transportation and Land Use Study) has approved a Preliminary 1990 Land Use Plan for the seven counties of Southeast Michigan.

The proposed plan will be subject to further modification as other elements, such as a highway network, mass transportation system, and housing, are developed by the staff of TALUS, R.J. Alexander, TALUS Administrative Committee chairman, said.

The Administrative Committee has delayed approval of the TALUS staff land use recommendations for one week pending review and approval by a team of technicians from various governmental units.

The Preliminary 1990 Land Use Plan calls for increasing the amount of developed land in Southeast Michigan from 977 square miles in 1965 to between 1,527 and 1,627 square miles in 1990.

An increase in population from 4.4 million to 6.9 million in the 25-year span is anticipated. The plan proposes development of five major and nine minor suburban cities and massive redevelopment in the older sections of the City of Detroit.

TALUS is a special project of the Planning Division of the Southeast Michigan Council of Governments.

Assets of Credit Unions Increase

Michigan's 366 Federal credit unions showed a 7 percent increase in assets during 1968, reaching a new high of \$377,581,000.

The increase was shown in figures released this week by Richard Walch, the Chicago Regional Representative of the Bureau of Federal Credit Unions.

PCHA's Dr. Karl Klicka Gets EMU Appointment

WAYNE--Dr. Karl S. Klicka, executive director of the Peoples Community Hospital Authority, has been named to Eastern Michigan University's Committee on Nursing Education.

The appointment to the Committee, which is studying EMU's proposed School of Nursing, was announced by Dr. Ronald M. Scott, head of Eastern's Department of Chemistry and chairman of the Committee.

Dr. Klicka's appointment arises from the affiliation of PCHA with the proposed program at Eastern, in which PCHA hospitals would provide the clinical facilities for the School.

Other members of the study group, all from Eastern, are Dennis Burke, M.D., of the Division of Health

Service; Mrs. M. Ferzacea, R.N. of the Health Service staff, and Mrs. Pearl Dimattia, of the Biology Department.

With the formation of the Committee, Dr. Scott has set a time-table for the procedures which must be taken to meet the rigid requirements for approval to establish a School of Nursing at EMU.

Approval must come from both the State Board of Nursing and the State Board of Education. The Committee will prepare documents of evaluation for both boards, one focusing on the qualifications of Eastern, the other evaluating the need for the School.

One approval has been granted by both boards, the Committee will begin hiring staff, preparing the formal statement of curriculum and structuring the clinical portions of the program.

Vertical Aircraft Takeoff - Landing Become Reality

VERTICAL TAKEOFF ERA HERE--The long-sought answer to many air travel and traffic problems could be near solution. Takeoff and landing delays are inevitable at today's overcrowded major airports, involving increased effective journey times for passengers and unprofitable aircraft operations. It makes air travel less attractive and increases overhead for airline companies.

For example, landing and takeoff delays in recent months at major airfields such as Kennedy International Airport in New York have had delays running from one to five hours.

Vertical takeoff aircraft are already being considered as a remedy for this situation in far-sighted planning for the 1970's, as VTOL jet transport aircraft will combine performance, comfort and safety of the latest contemporary aircraft with the capability to take off reliably in all weather from the smallest sites. The space-saving VTOL airport of the future will be located near city centers and less land investment will be required for it.

More aircraft movements will be possible in a given time and existing airports will be able to handle more traffic safely and smoothly. Arrival and departure noises will be greatly reduced.

The safety factor of the VTOL will be greater. In

WORLD'S FIRST V/STOL JET TRANSPORT--The Dornier DO-31 has proven itself and is now in service as a shuttle aircraft in the Washington, D.C. area. Built in Munich, Germany, the vertical takeoff and landing jet transport is a godsend to the many problems faced by airports with air traffic congestion.

normal flight, VTOL aircraft meet the same safety requirements as conventional aircraft. In flight, a multiplicity of lift engines catering for thrust affords an equivalent safety factor. The much lower approach speeds and steep approach angles of the VTOL aircraft will significantly reduce the risk of air collisions.

VTOL aircraft will also be far safer than conventional aircraft for all-weather operations. Beside the safety aspect, the noise factor of the VTOL aircraft is of utmost importance. The steeper approach and departure angles confines the area affected by the noise within close limits.

Thus they can also approach and depart over less heavily populated areas, as their flight path is not determined by the direction of the runway and general

flow of traffic and wind conditions.

One of the first to come forth with a fully operational and tested VTOL was the Dornier Aircraft factory in Germany. The experimental Dornier DO-31 V/STOL made its first vertical take-off and hover flight from the Dornier factory near Munich, Germany, on Nov. 22, 1967. Chief Engineering Test Pilot Drury Wood was at the controls for the maiden flight.

Dornier GMBH has been designing and building short take-off and landing aircraft for the last 20 years. The Dornier Sky-servant STOL, a 10 to 14 passenger airliner is one of the few such aircraft in commercial operation in the world today. Butler Aviation International, Inc., which also has a fixed base operation at nearby Metro Airport, is the sales representative for this aircraft of the future.

Several of the Skyservants are already providing STOL shuttle service between three airports in the Washington, D.C. area.

A newer, greater advanced model of the DO-31 V/STOL is now undergoing extensive flight trials and tests in Germany. The data acquired from testing these 22-ton aircraft in Germany will be used to help design a new generation of military and commercial transport aircraft.

This unique D-31 could carry approximately 40 passengers or a payload of almost five tons. It is powered by two Bristol Siddeley Pegasus engines rated at 15,500 pounds of thrust per engine. This is supplemented by four Rolls Royce RB 162-4D lift engines. Each rated at 4,000 pounds of thrust, these are installed on the wing tips of the aircraft.

With the advent and operational use of the vertical takeoff and landing aircraft, it might well be that a big headache of the air transport industry will be cured.

Apollo 10 Gets Ready For May 18 Liftoff

Apollo 10, now being readied at the Florida Space Center's Launch Complex 39 for a 12:49 p.m. May 18 liftoff, will undergo more than 60 hours of operational evaluation in lunar orbit.

The Lunar Module, which will descend to within 50,000 feet of the moon's surface, nearest man has ever been to the moon, is expected to separate from the Command and Service Modules at 98 hours, 10 minutes, 15 seconds into the mission.

The Lunar Module, commanded by USAF Col.

Thomas P. Stafford (Apollo 10 Commander) and Navy Commander Eugene A. Cernan, will perform a series of extremely crucial maneuvers including a re-dock with the Command and Service Module (commanded by Navy Commander John W. Young) which will be waiting in a 60-mile high "parking orbit" for the return of the lunar vehicle.

The hoped for launch of the Apollo 11 Lunar Landing Mission, now scheduled for July, is likely to depend on the success of Apollo 10.

Delta's New Radar Aids Pilot

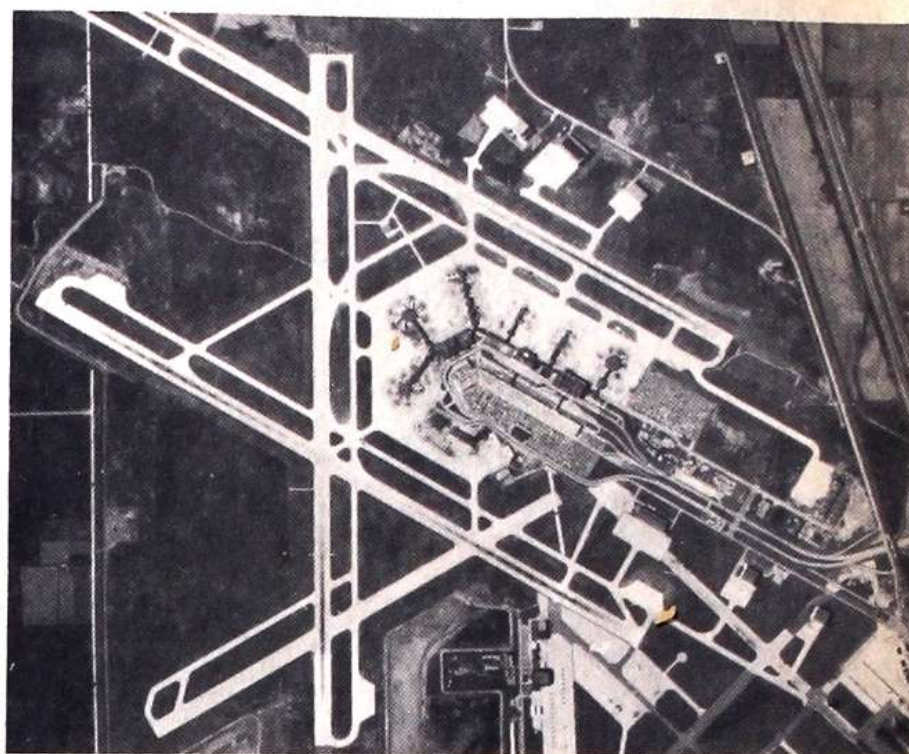

Delta Air Lines will use the new Bendix RDR-1F, three-hundred mile weather radar for its five Boeing 747 aircraft.

The RDR-1F, which incorporates the latest advances in electronics technology, will aid Delta's pilots in determining the location of storm centers considerably sooner than is now possible.

*** In 1967 there were five times as many deaths from emphysema as there were in 1957.

New Face of Metro Airport

NEW LOOK AT METRO--This is the most recent aerial photograph taken of the ever expanding nearby Metro Airport. This bird's eye view shows the new extensions of the runways and the addition of high-speed turn offs for landing aircraft. All ready another 60 million dollar expansion is underway with a new runway and buildings that will be on the southern side toward Eureka between Middlebelt and Wayne Road. A new terminal is also on the program for this area of the airfield.

Concorde A Success

More supersonic transport history was made last week at Filton, England, with the second flight of a Concorde SST, the first of the big supersonics built in England.

Ship 002, the British prototype, made a 22-minute, 45-mile flight from the British Aircraft Corporation plant at Filton to the RAF's new test flight facility at Fairford.

Few problems were reported, and the big airplane left the ground after a takeoff roll of only 4,000 feet.

Maximum speed reached was 345 m.p.h. and Concorde's maximum altitude was 9,000 feet.

Concorde, far ahead of the American SST project, is slated to enter airline service in 1973 with 16 carriers holding options on 74 airplanes.

Huge 1975 Jet Fleet Predicted

Professor Gerhard Holtje, chief executive officer of Lufthansa German Airlines, and President of the International Air Transport Association, has predicted a 1975 IATA member airline fleet increase from 2,000 to 7,500 jets.

Dr. Holtje said that the 1,000 jets now on order will not only have a capacity three times larger than today's total IATA fleet, but

they will have an average annual productive capacity per aircraft of about four times that of today's jets.

The IATA chief executive, a veteran Lufthansa officer, said that the higher capacity would "likely not affect present air fares." He explained that growing overhead expenses will deter fare decreases.

"If we could manage to keep some of our fares at the

present level for some time, we would, contrary to many other industries, be doing extremely well," he said.

*** A very high percent of the people who have emphysema smoke cigarettes.

Resurfacing Starts

On I-94

ROMULUS--Resurfacing recently began on a section of I-94, roughly between Willow Run and Detroit Metropolitan Airports, that was filled with chuckholes last winter.

The work, to be completed by October under an emergency appropriation, will be done on a 7.8 mile stretch from a half mile west of Wiar Rd. in Washtenaw County to 1 1/2 miles east of Hannan Rd. in Romulus Township.

One lane will be kept open for traffic and both westbound lanes will be open during the rush-hour traffic from 3 to 6 p.m.

The Cook Contracting Co. of Detroit will do the work, which will cost \$485,176.

Gospel Lamplighters To Sing

WESTLAND--The Gospel Lamplighters will be singing Sunday, May 4, at 7 p.m. at the Norwayne Baptist Church, 32747 Grand Traverse.

The group will be led by the Rev. Lloyd Jewett, who came into the field eight months ago in Fairfield, Mich.

The Gospel Lamplighters will be bringing several numbers in song and Gospel singing.

OEO Given \$130,000

Grant

INKSTER--Wayne County's elderly citizens with low incomes and children in institutions will be helped by a \$130,000 foster grandparents grant approved last week by the Office of Economic Opportunity.

The program has been in operation since July 1, 1968. The grant will cover the program through November 30 of this year.

ROMULUS COMMUNITY SCHOOLS

NOTICE OF LAST DAY OF REGISTRATION
OF THE QUALIFIED ELECTORS OF
ROMULUS COMMUNITY SCHOOLS
COUNTY OF WAYNE, MICHIGAN
FOR THE ANNUAL ELECTION
TO BE HELD ON
MONDAY, JUNE 9, 1969

TO THE QUALIFIED ELECTORS OF SAID SCHOOL
DISTRICT:

PLEASE TAKE NOTICE that an Annual School
Election will be held in said School District on Monday,
June 9, 1969.

Act 269, Public Acts of Michigan 1955, as amended,
provides in part as follows:

"The inspectors of Election at any annual or special
election shall not receive the vote of any person
residing in a registration school district whose name
is not registered as an elector in the city or township
in which he resides."

The last day for receiving registrations for said annual
election will be Friday, May 9, 1969. Persons registering
after 5:00 o'clock p.m., Eastern Standard Time, on said
Friday, May 9, 1969, will not be eligible to vote at said
annual election. Persons planning to register must
determine when the City and Township Clerks' offices
will be open for registration. In addition to all other
times, the City and Township Clerks' offices will be
open for receiving registrations on Saturday, May 3,
1969, from 8:00 o'clock a.m. to 5:00 o'clock p.m.

Under the provisions of Act 269, Public Acts of
Michigan 1955, as amended, registrations will not be
taken by school officials and only persons who have
registered as general electors with the appropriate
Township or City Clerk of the Township or City in
which they reside are registered school electors.

This notice is given by order of the Board of
Education of Romulus Community Schools, County of
Wayne, Michigan.

IRWIN W. STECH
CITY CLERK

ROMULUS TOWNSHIP

RESOLUTION #69-8

WHEREAS, the Township Board of the Township of Romulus are advised there will be legislation pending in the State Legislature attempting to legalize the sale of Marijuana and the lessening of the penalties of sale and possession of the same; and

WHEREAS, the said officials of the Township of Romulus deem such legislation contrary to the best interest of the citizens of the State of Michigan and its various political subdivisions;

THEREFORE, BE IT RESOLVED, that the Township Board of the Township of Romulus do petition the respective Houses of the Legislature of the State of Michigan to vote negatively upon such proposed legislation; and

BE IT FURTHER RESOLVED, that a copy of this resolution be forwarded to State Representative Edward Mahalak and Senator William Faust; and

BE IT FINALLY RESOLVED, that a copy of this resolution be forwarded to all of the Municipalities in the surrounding area.

BE IT RESOLVED, that the Romulus Township Board adopt and does hereby adopt this Official Resolution No. 69-8, and directs that it be presented for publication.

Alfred J. Perry, Clerk
Township of Romulus

I, ALFRED J. PERRY, Clerk of the Township of Romulus, do hereby certify that the above is a true copy of a resolution passed by the Romulus Township Board, at a Special Meeting held on April 21, 1969, in Romulus the Romulus Township Hall.

CITY OF BELLEVILLE COUNCIL MINUTES

REGULAR MEETING

APRIL 21, 1969

A regular meeting of the City Council for the City of Belleville, County of Wayne, and State of Michigan, was called to order by Mayor Smith, with Councilmen Walters, Palmer, Boone and Amerman present.

Motion by Walters, seconded by Palmer, that the minutes of the regular meeting held April 7, 1969 be approved. Carried: Unanimously.

Motion by Palmer, seconded by Boone, that the minutes of the special meeting held April 8, 1969, be approved. Carried: Unanimously.

Motion by Walters, seconded by Boone, that the bills presented for payment be paid. Carried: Unanimously.

Motion by Boone, seconded by Amerman, that the City Treasurer's report for the month of March 1969 be accepted. Carried: Unanimously.

Brian Deel, Dale Maki, Phillip Poet, Sandy Parker, and Willinda Plymale, Seniors of Belleville High School Government Class attended the City Council Meeting for the purpose of studying City Government.

Mr. Steve Piorkowski, owner of Ski's Dairy Bar attended the City Council and discussed future drainage problems that may arise.

The Planning Commission minutes were tabled until the next council meeting when the City Attorney is present.

Motion by Amerman, seconded by Walters, that the City Treasurer's request for wage increase, be tabled. Carried: Unanimously.

Motion by Boone, seconded by Walters, that Ernest Patke, be appointed to the Citizens Advisory Commission. Carried: Unanimously.

The City Council has declared the month of May 1969, as SPECIAL CLEAN UP MONTH FOR THE CITY OF BELLEVILLE.

Upon Motion by Amerman, and supported by Palmer, that the following resolution be offered:

RESOLUTION

WHEREAS, the Mayor and the City Council of the City of Belleville are advised there will be legislation pending in the State Legislature attempting to legalize the sale of MARIJUANA and the lessening of the penalties of sale and possession of the same, and

WHEREAS, the said officials of the City of Belleville deem such legislation contrary to the best interest for the citizens of the State of Michigan and its various political subdivisions;

THEREFORE, BE IT RESOLVED, that the Mayor and the City Council of the City of Belleville do petition the respective Houses of the Legislature of the State of Michigan to vote negatively upon such proposed legislation; and

BE IT FURTHER RESOLVED, that a copy of this resolution be forwarded to the State Representatives Alex Pilch, and Vincent J. Pettipren and Senators L. Beebe and William Faust; and

BE IT FINALLY RESOLVED, that a copy of this resolution be forwarded to all of the Municipalities in the surrounding area.

AYES: WALTERS, PALMER, BOONE, AMERMAN, SMITH

NAYS: NONE

ABSENT: NONE

Motion by Amerman, seconded by Smith, that the meeting be adjourned.

Carried: Unanimously.

IRWIN W. STECH
City Clerk

TO USE VASCAR

State Police Step-Up Traffic Enforcement

In a stepped-up war against traffic accidents and fatalities, Col. Fredrick E. Davids, Director, has announced a State Police project utilizing new speed measuring computers in patrol cars.

A national highway safety grant of \$85,000 has been awarded the State Police in an effort to facilitate speed detection and enforcement on Michigan highways.

The grant, along with state matching funds, will be primarily used for the purchase of 100 speed measuring devices that electronically compute how fast vehicles are traveling.

THE NEW DEVICES, called VASCAR, (visual average speed computer and recorder) are expected to provide a new concept in the enforcement of highway speed laws.

Davids said, "An officer in a patrol car, whether parked

or cruising, can accurately measure the average speed of a moving vehicle. Moreover, the measurements can be taken regardless of the direction or speed the vehicle is moving."

EIGHT DISTRICT State Police Safety and Traffic Division officers have completed training with the computers and are now beginning field training of post personnel. Ultimately some 200 troopers will be certified in the operation of the VASCAR units. Co. Davids indicated the units will be operational, across the state, by the July 4th holiday period.

Dragonflies are also known as darners needles.

NOTICE

A Public Hearing will be held in the Huron Township Hall, New Boston, Mich., May 5, 1969 at 8:00 P.M. regarding a sand removal application for property located at 25461 Rust Rd., Huron Township, in compliance with Sec. 17.02, Ordinance No. 10, Huron Township.

NOTICE OF PUBLIC HEARING

Notice is hereby given that the Van Buren Planning Commission will hold a Public Hearing on the following described properties zoned R1C (residential) on application to amend the zoning ordinance No. 9-20-65 by amending zoning map as follows:

At the request of the Van Buren Township Planning Commission please find below the property descriptions proposed for rezoning by the Van Buren Investment Company for inclusion in the notice for public hearing to be held on May 21, 1969 for 73.83 acres. Also included is a sketch of the property proposed for rezoning.

PARCEL A: From R-1C (Single-Family Residential) to C-1 (General Business):

A parcel in the N.E. 1/4 of Section 11, T. 3S., R. 8 E., Van Buren Township, Wayne County, Michigan, described as follows:

Commencing at the N.E. corner of Section 11, T. 3 S., R. 8 E., and proceeding thence along the E. line of said Section 11, S. 0 deg. 21'00" E., 275.59'; thence N. 89 deg. 07'10" W., 60.01' to the point of beginning, said point being the intersection of the W. line of Haggerty Road with the S. line of Ecorse Road right-of-way; thence along the W. line of Haggerty Road, S. 0 deg. 21'00" E., 478.55'; thence N. 88 deg. 17'30" W., 1,344.25'; thence N. 0 deg. 36'30" W., 459.19' to a point on the S. right-of-way line of Ecorse Road; thence along said line, S. 89 deg. 07'10" E., 1,345.77' to the point of beginning, containing 17.47 acres.

PARCEL B: From R-1C (Single-Family Residential) to RM (Multiple Dwelling Residential):

A parcel of land in the N.E. 1/4 of Section 11, T. 3S., R. 8 E., Van Buren Township, Wayne County, Michigan, described as follows:

Commencing at the N.E. corner of Section 11, T. 3 S., R. 8 E., and proceeding thence along the E. line of said Section 11, S. 0 deg. 21'00" E., 755.03'; thence N. 88 deg. 17'30" W., 60.04' to the point of beginning, said point being on the W. line of Haggerty Road; thence along said W. line of Haggerty Road, S. 0 deg. 21'00" E., 1,908.65' to a point on the E. and W. 1/4 line of said Section 11; thence along said line, S. 89 deg. 46'55" W., 1,334.55'; thence N. 0 deg. 36'30" W., 1,953.88'; thence S. 88 deg. 17'30" E., 1,334.25' to the point of beginning, containing 59.36 acres.

Public Hearing will be held in the Council Room, 46425 Tyler Road, Van Buren Township, County of Wayne, Belleville, Michigan, on Wednesday, the 28th day of May, 1969 at 8:00 PM.

Irving Wallace
Chairman, Planning Commission

Erma J. Payne
Clerk, Van Buren Township

April 31, May 21, 1969

TOWNSHIP OF SUMPTER NOTICE OF PUBLIC HEARING

PLEASE TAKE NOTICE that a public hearing will be held by the Sumpter Township Planning Commission on the 6th day of May, 1969, at 8:00 p.m. in the Township Hall at 23483 Sumpter Road, in the Township of Sumpter, for the purpose of granting any person interested the right to be heard by the Township Planning Commission on a proposed Amendment to the Township of Sumpter Zoning Ordinance No. 11, as amended, the tentative text and map of which is available for inspection in the office of the Township Clerk at the Township Hall, during regular business hours.

The proposed amendment is:

That the West 1/2 of the SW 1/4 of Section 16, Town 4 South, Range 8 East, Sumpter Township, be rezoned from R.C.H. (Country Homes) to R.T. (Mobile Home Park) district.

William Gouger
Township Clerk,
Clement Johnson, Jr.,
Chairman Planning Commission

By Supervisors

Public Hearing on Anti-ABM

A public hearing will be held by Wayne County supervisors as an effort to help "clear the air" regarding the controversy raging around the proposed anti-ballistic missile (ABM) system.

The hearing is set for 10:30 a.m., Saturday, May 10, in the City-County Building auditorium. It will be conducted by the Law Enforcement and Public Safety Committee of the Board of Supervisors.

"We recognize that the

County has no jurisdiction over what is essentially a Federal matter at this point. However, our committee agreed that, because of the tremendous importance of this issue and the public concern which exists, there is a need for a forum where arguments on both sides may be laid before the public," declared Ralph Patrick Turco, District 24 supervisor and chairman of the committee.

Wayne County members

of Congress and the State Legislature are being invited to attend the hearing.

A public hearing was requested by the "Michigan Stop ABM Committee."

Under the "modified" ABM plan proposed by President Nixon, none of the nuclear-warhead missiles would be located in the southeastern Michigan area.

Vietnam Duty

Belleville -- Equipment Operator Third Class Benjamin W. Holland, USN, of 8180 Marlowe, is serving with Mobile Construction Battalion 10 at Camp Haines, Vietnam.

Historically, the men of MCB-10 have been associated with the U.S. Marines. However, the Seabees are working with the "Screaming Eagles" of the U.S. Army's 101st Airborne Division in Vietnam.

Program On Hearing Scheduled

A panel of professionals will discuss the allied problems of the hearing impaired child on the second program of the Parent's Information Series on Tuesday, May 6.

Sponsored by the Detroit Hearing and Speech Center, a UCS-UF agency, the annual free series is being held in the Library Lecture Hall of Marygrove College, W. McNicholas and Wyoming, at 7:45 p.m.

"Anyone interested in attending is invited to do so," stated chairman, Dr. Theodore Mandell, supervisor of speech correction and hearing conservation for the Detroit Public Schools.

Further series information can be obtained by calling the Detroit Hearing and Speech Center, a Torch Drive Agency serving the tri-county area, 341-1353.

HURON SCHOOL DISTRICT NOTICE OF LAST DAY OF REGISTRATION

NOTICE IS HEREBY GIVEN that the last day on which persons may register in order to be eligible to vote at the Annual Election of Huron School District Wayne and Monroe Counties, Michigan, to be held on Monday, the 9th day of June, A.D. 1969 is
